   - NONE
   - none
   - none

- ID badge and pen
- ID badge and pen
- white coat and name tag
- none
- Just lab coat. Have a little reference card on you in case of emergency i.e. you cant remember the dosing of Lamisil.
- 0
- none
- none
- none
- none
- White coat
- none

c. What were your chief responsibilities on this program?
- Follow Dr.Bodman and Dr.Michael
- clip nails watch bodman clip nails
- shadow Dr. Bodman debride nails and calluses write a few notes
- To see patients with Dr. Bodman
- To see patients with Dr. Bodman
- provide primary podiatric care
- see patients with Dr. Bodman
- Early on I followed him and assisted with the pedal exams treatment ABIs etc. Toward the end I saw some routine patients alone.
- 0
- asist dr. bodman
- assist Dr. Bodman seeing patients
- see pt answer q
- see pt
- Shadow in office
- help cut nails

d. What were the most valuable learning experiences of this program?
- Pivate practiceBillingPrimary care
- Learning derm and especially learning the business side of private practice. Dr. Bodman is pretty cool in a really subtle way.
- Excellence exposure to how a private office works didnt find this much information in other clinics. Learned about billing and reimbursements for clincal procedures.
- The primary care aspect nail care is important.
- The primary care aspect nail care is important.
- nice variety of patients good instructor
- discussing pathology and treatment as well as practice management
- He is great about referencing articles and pointing out what didactic information must be maintained for 4th year residency and so on.
- 0
- derm
- got to see a lot of different pathologies. Forced to start thinking on my own
- billing derm management
- billing derm
- Practice analysis of financials and coding
- learning derm pathology

e. What aspects of this program need improvement and/or attention? Please make suggestions.
- NONE
- Would like to have been quizzedtutored on derm more.
- none
- None
- none
- None. It really was as great as I had hoped it would be.
- nothing
- none
- Surgery exposure is debatable
- more responsibility

03. Which best describes the location of this practice or hospital site:

- Rural Area - 0%
- Small Town - 6.7%

- Small City - 33.3%
- Suburb - 60%
- Large City - 0%
- No Answer - 0%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
    - GO HOME
    - Study review
    - I lived at home so I stayed with my normal routine but you do work some Saturdays
    - normal
    - go home
    - yes.
    - watch movies study
    - .
    - Go on interviews
b. If free housing was provided, please list where.
    - NONE
    - Stayed in Dr. Bodmans basementdungeon on a slab of concrete.
