Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
   - visit family
b. If free housing was provided, please list where.
   - no
c. If there was NO housing provided, please list where you stayed and the cost.
   - relativefree
d. Where free meals provided? Yes No If not, where did you eat and at what cost per week.
   - mostly doctors would provide lunch which was very nice but the odd you were on your own. Easy enough to find reasonable food in all locations.
e. Did you need a car for the program?
   - absolutely a new office daily and many outside of city limits..surrey burnaby delta coquitlam langley
f. If you did need a car, how many miles a day did you drive?
   - anywhere from less than a mile up to 25 miles from downtown Vancouver
g. How much did the transportation to the program and back cost?
   - free-airmiles but would just be flight to Vancouver
h. Is there a residency program associated with this program?
   - yes-PSR 24 but looking to expand to 3 years
i. Did you experience any special problems at this program? If so, what were they?
   - no the doctors are extremely kind and fair. The like to ask a lot of questions for the most part but they are fair and reasonable questions. They all appear to really welcome students and seem to enjoy teaching.
