Yes 0%
No - 100%

Program Requirements & Reccomendations

02. Please type in your answers to the questions below. (Note: 500 character maximum for each question)

a. What specific preparation should future students do prior to participating in this program?
- No specific preparation..Just know your basic podiatry stuff
- Be mindful of wound care management and care
- none
- be prepared for long hours
- REVIEW MEDICINE
- Read up on wound care
- NA
- NA
- Study general and internal medicine and know how to work-up an inpatient
- Study general and internal medicine and know how to work-up an inpatient
- Practice gowning and gloving know how to work up a patient from start to finish
- case presentationwound care office treatment
- Study Anatomy Pharm and Raidology

b. What instruments or materials were you required to bring?
- None
- tractograph Semmes Weinstein monofilament tuning fork
- SWMF and reference book pocket podiatrics
- white coat
- TRACTOGRAPH SWM
- White coat 5.07 SWMF

- Monofilament tractograph bandage scissors tuning fork
- Monofilament tractograph bandage scissors tuning fork
- Semmes-Weinstein monofiliment Utility Scissors Tractograph PDR and pocket podiatrics
- Semmes-Weinstein monofiliment Utility Scissors Tractograph PDR and pocket podiatrics
- None. I choose to bring class notes. A surgery book is always helpful though.
- books
- Scissors Stethoscope

c. What were your chief responsibilities on this program?
- Round on in house patients daily.
- Grand Rounds Presentation Keeping up with an assigned patients daily vitals and change in medication clinic duties and treatment
- Seeing and Treating patients
- minor nail procedures assisting
- DUTIES OF A RESIDENT
- Helping resident give case presentation at end of program
- History and physicals writing notes
- History and physicals writing notes
- Doing History and physical on patients and sometimes treating. Not as much hands on. Big presentation at the end of the month.
- Doing History and physical on patients and sometimes treating. Not as much hands on. Big presentation at the end of the month.
- Assisting the residents.
- office case presentationobserve participate in surgical procedures
- Assist residents in clinic srub in on cases

d. What were the most valuable learning experiences of this program?
- Learned a little bit ot everything from surgery to patient care. Learned how to take care of patients with limited resources. Remember we dont all have the luxuries to use expensive treatment options i.e. MRI Oasis orthotics etc.
- The availability of different cases in the the podiatry arena due to the environment is wonderful. I value my exposure to treating some things that I have only seen in a textbook.
- I saw a lot of different pathology
- see a different kind of patient population here in the city
- PATIENT TRATMENT AND FOLLO-UP IN-PATIENT CARE
- Small program so one-on-one attention is always given to student
- the director
- the director
- How important it is to know internal medicine.
- How important it is to know internal medicine.
- The medicine aspect of it
- everything
- The attendings willingness to teach and not pimp

e. What aspects of this program need improvement and/or attention? Please make suggestions.
- The program itself has a lot to offer but it needs some big improvements. The program director and other attendings are great at showing youteaching different things. They have few workshops but its all unorganized you find out about the workshop only the
- organization of scheduling
- none
- there is only one resident for this program
- POST-OP OF SURGICAL CASES
- Needs more surgery and more variety to cases
- Time management
- Students need to be more hands on and have more work to do. I stood around waiting for residents to finish writing notes treat patients etc. A lot of wasted time for externs.
- More hands on for the students
- The program could use a larger resident staff

03. Which best describes the location of this practice or hospital site:

- Rural Area - 0%
- Small Town - 0%
- Small City - 0%
- Suburb - 0%
- Large City - 0%
- No Answer - 100%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
    - I spent time with my family
    - shopping concerts
    - Go to museums
    - it is a big city there is alot to do
    - EXPLORE CITY
    - Tour D.C. shop eat go out spend time with friends and family
    - Spend time with friends and family
    - Tour Washington D.C. visit friends etc.
    - Museums restaurants
    - study
    - Visit nations capitol and sightsee
b. If free housing was provided, please list where.
    - no housing provided
    - none
    - stayed with a friend
    - no
    - NA
    - na
    - No free housing
    - No free housing
    -
    -
    - NA
    - na
    - NA
c. If there was NO housing provided, please list where you stayed and the cost.
    - stayed with my family in virginia
    - I lived with a friend in Silver Spring MD
    - na
    - temp housing
    - WITHIN CITY 900
    - In Virginia with cousin
    - Family
    - Family
    - Friend of the Family. I paid a small amount of money for groceries.
    - Friend of the Family. I paid a small amount of money for groceries.
    - I stayed with family friends
    - friend
    - With family -- no cost
d. Where free meals provided? Yes No If not, where did you eat and at what cost per week.
    - yes at first breakfast only and later breakfast and lunch
    - Yes breakfast and lunch
    - yes
    - no
    - FOR THE MOST PART
    - Yes-program gives meal cards so you can eat free
    - Lunch is provided
    - Lunch is provided
    - Meals were provided
    - Meals were provided
    - No we were told that there would be but there werent.
    - 100
    - No brought own lunch
e. Did you need a car for the program?
    - yes..or you can take the metro
    - yes if you do not live nearby. but you can use the metro
    - to get there they have a metro sub stop 3 blocks away
    - yes
    - NO

- No there is a metro stop 2 blocks from the hospital so I only drove about 4 times
- Yes however metro stop 2 blocks from hospital
- Yes however metro stop 2 blocks from hospital
- Yes
- Yes
- No
- yes
- Yes

f. If you did need a car, how many miles a day did you drive?
- A lot !! it took me 1h to 1.5h in the morning and 2-2.5 h in the afternoon ..in DC any hour of the day is rushhour
- about 7 a day
- an
- 15 miles
- NA
- I was coming from VA so I communted I only drove into the city a few times about 50 miles to and from the hospital
- 20
- 20
- 10.8 miles without traffic
- 10.8 miles without traffic
- NA
- 25
- about 25-30 miles

g. How much did the transportation to the program and back cost?

- 200
- 125 dollars
- 30 a week
- 10 dollars a day about
- 200
- 100 for gas since I drove from cleveland
- 300 gas
- 300 gas
- With oil changes gas and tolls: approximately 200.00
- With oil changes gas and tolls: approximately 200.00
- 200
- 10
- Cost of gas -- about a full tank every weekand a half

h. Is there a residency program associated with this program?
- yes
- yes
- yes
- yes
- NO
- Yes - PMS 24
- Yes
- Yes
- M.D. residents of Howard University
- M.D. residents of Howard University
- Yes
- yes
- Yes

i. Did you experience any special problems at this program? If so, what were they?
- no
- no
- na
- no
- NO
- No
- No
- No
- No problems
- No problems
-

- na
- No

Hour & Patient Estimates

05. List the average number of hours you spent on the program each day of the week:

i. Monday

7AM

5PM hour(s).

ii. Tuesday

7AM

5PM hour(s).

iii. Wednesday

7AM

5PM hour(s).

iv. Thursday

7AM

5PM hour(s).

v. Friday

6AM

4PM hour(s).

vi. Saturday

2AM

1PM hour(s).

vii. Sunday

0AM

0PM hour(s).

06. Which hours and days of the week were spent participating in the following: (List all office sites and hospitals if applicable) ex. MTWTh 8a-3p, Sa 1-2pm, Su 10-11a

a. Office hours
    - M 9a-430p T 9a-430p W 12-430p Th 9-1p F 12-4pm
