- Allow students to help with patient care
- none overall. Pt volume can be high or low depending on the month
- Can be slow - had 0 patients last week there.
- None
- Need more to do

- lots of down time
- none
- better direction as to expectations from the podiatry students
- make the nurse practioner in charge of the students instead of the chief resident

03. Which best describes the location of this practice or hospital site:

- Rural Area - 0%
- Small Town - 0%
- Small City - 22.2%
- Suburb - 0%
- Large City - 0%
- No Answer - 77.8%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
    - home
    - relax at home
    - normal
    - Read
    - stuff at home
    - cleveland
    - Had to come 2 weekends.
    - At home
    - none
    - -
    - yes
    - sleep
b. If free housing was provided, please list where.
    - home
    - home
    - none
    - na
    -
    - NA
    - No
    - my apartment
    - na
    - na
    - na
    - none
    - none
    - None
    - -
    - NA
    - NA
    - no
c. If there was NO housing provided, please list where you stayed and the cost.
    - home
    - home
    - at home
    - home
    -
    - My apartment
    - my house
    -
    - na
    - na
    - na
    - at my apartment

-
- na
- -
- NA
- NA
- at home regular monthly rent

d. Where free meals provided? Yes No If not, where did you eat and at what cost per week.
- brought my lunch
- brought my lunch
- no
- no cafeteria is about 5-7day
-
- No occasionally with drug reps
- no - packed lunch
- my meals
- na
- na
- na
- no
- no
- no
- -
- no hospital cafe or local fast food
- No ate at the cafeteria and paid with cash. 50
- No 20 a day everyday for 8 weeks

e. Did you need a car for the program?
- yes
- yes
- yes
- yes
-
- Yes
- yes to get there and back
- yes
- na
- Just for the commute.
- na
- yes
- yes
- yes
- yes
- yes
- Yes
- yes

f. If you did need a car, how many miles a day did you drive?
- 8
- 8
- less than 10
- 25 miles each way
-
- 10
- 10
- 5 miles
- na
- na
- na
- 7
- 15 miles one way
- 20
- 10
- 5-10
- 15mi
- 10

g. How much did the transportation to the program and back cost?

- gas
- gas
- gas
- whatever gas costs
-
- NA
- gas
- 5 dollars
- na
- na
- na
- na
- 30 dollars per week
- 5
- -
- 50 per week
- NA
- 120

h. Is there a residency program associated with this program?
- no
- no
- yes...but not podiatry
- no
-
- No
- no
- no
- na
- no
- na
- yes- but its general surgery
- no
- no
- no
- no
- no
- no

i. Did you experience any special problems at this program? If so, what were they?
- no
- no
- no
- no
-
- No
- Nothing to do most days. Studyied a lot. Bring reading material
- no
- na
- no - good environment
- na
- no
- Felt degraded because I was a podiatry student not a real medical student
- none
- -
- none
- none
- Chief resident in January hated previous podiatry students dogged me the profession the entire time

Hour & Patient Estimates

05. List the average number of hours you spent on the program each day of the week:

i. Monday

6AM

4PM hour(s).

ii. Tuesday

6AM

4PM hour(s).

iii. Wednesday

6AM

5PM hour(s).

iv. Thursday

6AM

5PM hour(s).

v. Friday

5AM

3PM hour(s).

vi. Saturday

1AM

2PM hour(s).

vii. Sunday

0AM

0PM hour(s).

06. Which hours and days of the week were spent participating in the following: (List all office sites and hospitals if applicable) ex. MTWTh 8a-3p, Sa 1-2pm, Su 10-11a

a. Office hours
    - none
    - none
    - 0

07. Please fill in the totals below.

a. Total number of patients seen by the end of the program:
— 78 Average Number of Patients seen by 18 students.
b. Total number of hours spent in program activities by the end of the program:
— 212.28 Average Total Hours spent by 18 students.

08. Please list any areas of concentration observed while attending this program?

- burn pediatrics neonatal ICU
- burn pediatrics neonatal ICU
- know your internal medicine
- burns pediatric surgery
-
- NA
- burns
- Burns
- internal medicine surgery trauma care
- na
- plastic surgery and skin grafts
- Burns Fluid resuscitation wound healing
-
- Burn
- emergency medicine and skin grafting
- burn pts
- burns wound care
- burns internal medicine

09. Average number of patients per day, including hospital rounds:

a. Office: **— 4**
b. Hospital: **— 6**

10. Rate this program overall on a scale of one to ten. 10 is best:
— 7.89 out of 10 Average Rating of 18 students.

11. Would you reccomend this program?

Yes: — 100%
No: — 0%
