c. What were your chief responsibilities on this program?
- show interest be prepared attend clinic every m w f afternoons
- assist in surgery and see patients in clinic
- See patients
- round on inpatients see patients at clinic charting
- assistant
- follow residents- round surgery in AM clinic
-
- help with pre-op and post-op residency clinic
- Learn
- assist residents
- assist the residents examine evaluate and treat patients in clinic
- follow the resident
- Help rounding on patients work at resident clinic compile a presentation and help residents with pre-oppost-op notes
- help the residents
- surgery wound care clinic
- primary care observing surgery
- See patients in clinic assist with preop and post op paperwork assist with surgeries
- See patients in clinic assist with preop and post op paperwork assist with surgeries
- See patients in clinic assist with preop and post op paperwork assist with surgeries
- patient care learning academic project
- attend surgery hospital rounds didactic
- Everything
- charting assisting residents with rounding
- 0
- 0
- x
- assist residents with surgery attend and see pt in clinic
- assist residents
- help residents see pts
- Assist in with the following: Pre-op preparations get tourniquet and draw up locals the surgery itself post op paperwork rounding with residents and seeing patients in the resident run clinic.
- following around residents
- following around residents
- surgical clinic and private practice with minimal rounding with the residents
- follow residents
- follow residents
- independent patient treatment and complete write of patient encounters in clinic and in surgery I was to prep the room help with pre-op notes and informed consent and assist during the surgery as necessary
- learn
- To assist residents with patient care relative to surgery and clinic
- HP and notes
- HP
- clinic and assist in the OR
- All pre-op preperations and post op notes full patient eval in clinic

d. What were the most valuable learning experiences of this program?
- surgery experience
- the oportunity to do stuff in surgery
- Get to see a wide range of surgeries and work with many different podiatrists.
- efficient charting patient management variety of surgery
- surgery cases
- work with many different attendings
-
- Surgical technique
- seeing various types of sugeriesankle fractures
- surgery and clinical experience
- residents were very helpful and liked to teach treating clinic patients
- informative residents
- rounding and the presentation as well as the cadaver lab
- clinic
- residents are helpful
- surgery wound care chapter reviews

- Getting more comfortable in the OR
-
- Spending time in the OR
- I learned a lot about surgery and clinical advice
- surgery
- Surgery
- wound care specifics and ankel fracture fixation options
- 0
- .....
- x
- resident run clinic
- working with a lot of different residents and attendings. well rounded schedule
- surgery
- Becoming more comfortable in the OR.
- 0
- 0
- wound care and private practice
- clinic
- clinic
- Independence of patient treatment time management and a lot of different techniques of some of the same procedures due to the multitude of attendings
- wound care private practice and surgery
- Exposure to surgeries
- surgical experiences
- surgery
- nice well rounded program with resident run clinic
- Its very well rounded in all aspects of podiatry

e. What aspects of this program need improvement and/or attention? Please make suggestions.

- add directions to the informational packet given to each student showing how to get from one hospital to another
- none
- Some of the podiatrists on staff are rude to students for no apparent reason.
- overbooked clinic call of outside drs. taken by residents
- none
- Give a packet with directions to the 3 different hospitals
- None
- none
- none...excellent program
- students do not get to do a lot in surgery suture etc.
- did not get to suture
- Time management. This is a busy program with few residents and many events that the residents commit too.
- too much clinic time
- More time rounding with residents in the hospital
- -
- none
- Surgery
- none really
- ?
- x
- none
- residency director is difficult to work with not approachable and thinks he knows everything.
- none
- I really enjoyed this program and would not recommend any changes.
- more rounding with the residents
- In retrospect I would not change anything about this program because I learned so much but at times it was really stressfull while I was there especially having to go to numerous hospitals in one day
- more rearfoot and rounding
- None
- none
- None

03. Which best describes the location of this practice or hospital site:

- Rural Area - 0%

- Small Town - 0%
- Small City - 66.7%
- Suburb - 2.4%
- Large City - 0%
- No Answer - 31%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
    - shopping at a nearby mall
    - met up with some friends that i knew in the area
    - went back to Cleveland - not required to work weekends.
    - yes - went back to cleveland or home
    - no
    - went back to cleveland
    - Went home
    - go home watch sports shop
    - go to sisters house drive home
    - bars levis commons
    - I read and discovered the city restaruants etc.
    - went home
    - shopping home
    - home
    - Went to the zoo went home
    - went home
    - back to cleveland
    - Study
    - plenty went home or to cleveland
    - g
    - x
    - worked on presentation went to the moviesshop
    - go home
    - went home
    - There is a minor league baseball stadium in town a Bass Pro Shops near by and Michigan is also a short drive away.
    - Baseball games hang out downtown over by univeristy of Toledo Talmadge mall Perrysburg
    - spend time with family
    - I went home every weekend
    - downtown toledo
    - Prepare for cases for the following week and work on presentation
    - family time
    - work on persentation
    - yes went home on the weekends
    - Study
b. If free housing was provided, please list where.
    - nursing school next to the hospital
    - in the hospital
    - Next to the hospital in an old nursing school dormitory.
    - 50- a room in the hospital with sink and tv community bathroom
    - no
    - Old dorms next to hospital
    -
    - yes old nursing school buliding
    - yes but at building of Life flight noisy at night but its free
    - at the hospital
    - across from hospital
    - at the hospital
    - Graduate building across from St. Vincent Hospital
    - free at hospital
    - nursing school adjacent to hospital
    - education builing next door to main hospital

- Next to the hospital in old nursing school dorms
- Next to the hospital in old nursing school dorms
- Next to the hospital in old nursing school dorms
- yes next door
- housing provided in the hospital
- Nursing Dorms
- building next to hospital
- 0
- yes at the hospital
- at the hospital
- at the hospital
- at hospital
- housing across attached to hospital
- At the hospital.
- yes in dorms next to the hospital
- yes in dorms next to the hospital
- yes on St.V campus
- na
- na
- There is an old nursing school right next to St. Vincents where I was provided a small room
- yes
- DYouville Education Building
- yes at the hopital
- at hospital
- hospital provided housing in dorms next to hosp
- Within Hospital

c. If there was NO housing provided, please list where you stayed and the cost.

d. Where free meals provided? Yes No If not, where did you eat and at what cost per week.
- YES
- yes
- Yes. 40 per week was dispensed on meal card.
- yes students get 40week for food
- no
- 40week
-
- You get 40 a week in food for the cafe
- 40 a week
- yes
- yes 40 per week
- yes
- Yes
- yes
- 40 wk in cafeteria
- yes 40week
- yes - 40 a week in the cafeteria
- yes - 40 a week in the cafeteria
- yes - 40 a week in the cafeteria
- yes
- yes- cafeteria- 40 per week
- Yes
- yes 40 dollars per week
- 0
- yes
- 140 bucks for the month
- yes
- 40week at hospital cafeteria
- yes
- You are provided with a meal card with 160 for the month.
- yes
- yes
- yes
- yes
- yes
- A certiain amount of money was provided every week for the St. Vs cafeteria even though you may not get a chance to eat all three meals there in a day but all the other hospitals have staff rooms that usually had snacks provided and the residents room alw
- yes
- Yes
- yes
- yes
- yes
- Yes

e. Did you need a car for the program?
- yes
- yes
- Yes
- yes
- yes
- yes
-
- Yes several different hospitals
- yes
- yes
- yes
- yes
- Yes
- yes
- yes

- yes

f. If you did need a car, how many miles a day did you drive?
- 5-10
- 40
- Approxinately 5-10.
- 10 miles
- yes 15
- 10
-
- 15 miles
- 15miles
- 10
- 5-10
- 10
- between 10-15 at most
- 20
- 10
- 20
- about 0
- about 0
- about 0
- 10 miles a day
- 10 miles
- 20
- 4
- 0
- 10
- 10-15
- 15
- 1-15
- 10
- At the most probably 20 miles a day. It is really dependent upon where the surgeries are at.
- 20
- 20
- no more than 10
- 25
- 25
- I believe the furthest center from St. Vs was Surgicare which was about 20 miles away but other hospitals were less than 10 miles away

- 10
- 20
- 10 miles a day
- 10
- 5-10
- 10

g. How much did the transportation to the program and back cost?

- 65
- 70bucks
- Not that much.
- gas to and from cleveland
- 120 miles from cleveland
- gasmoney
-
-
- 300
- 2 hours each way
- gas - 60
- 100
- 40week
- 100
- 100
- half a tank per drive
- cost of gas from Cleveland
- cost of gas from cleveland
- cost of gas from cleveland
- 20
- To and from Cleveland and to 4 different Toledo hospitals
- 100
- 40
- 0
- 14 tank
- x
- one tank of gas
- none
- 30
- Around 60.00 round trip from Cleveland.
- to and from cleveland
- to and from cleveland
- tank of gas a week
- 300
- 300
- About 30 dollars for gas every weekend
- normal gas allowances
- 350
- 200
- 10
- 50 per week
- 200

h. Is there a residency program associated with this program?
