- Nothing
- none

c. What were your chief responsibilities on this program?
- Just show up and do what is asked of you help prep the OR write Post OP notes consult notes
- assist residents attend surgeries
- assist residents attend surgeries
- see patients and do presentation
- Assist in surgery Treat patients in clinic
- surgical
- assist and observe
- surgery help residents
- chartingassistant in surgeryfollow in house patients
- act as a resident
- get room ready for surgery do blocks help during procedure do post op notes rounds on patients and go to private practice
- getting the OR set up
- charting assisting

- follow residents around
- write post op notesinjections prep OR
- Charting rounding
- Patient care
- assist in surgery charting assist resident with in house patient rounds
- surgery
- surgery
- notes
- assist in surgeries round on patients and write notes
- assist in surgeries round on patients and write notes
- Drawing up local before surgery retracting during surgery rounding on patients on the floor.
- rounding on patients. paper work. helping out.
- round with residents surgery clinic
- Evaluate examine and treat patients
- O.R. prep post op notes assist residents in rounding and consults
- H P pre post-op orders home going instructions for surgery patients residents clinic SOAP notes prep OR for surgery draw local pull gloves gowns etc round on in house patients
- Post op notes preparing the OR SOAP notes.
- Post op notes preparing the OR SOAP notes.
- Post op notes preparing the OR SOAP notes.
- Post op notes preparing the OR SOAP notes.
- Treat patients in clinic perform in surgical setting

d. What were the most valuable learning experiences of this program?
- learning OR protocol learning to function in a hospital setting
- surgical experience
-
- working with Dr. Zema
- Excellent surgical experience with all attendings I worked with
- surgical experience and seeing patients on floor
- surgical
- suturing
- excellent hands on surgical experiencepractice on blocks
- seeing patients
- surgical experience because of the trust to let do alot of parts of procedure including blocks bone cuts and closing
- doing surgeries learning good technique while in the OR
- hands-on experience and good didactics
- surgery
- Surgery with Drs Chokan and Hanjosz
- Resident is very academic...
- Patient care. Surgery
- good mix of surgery and primary care
- rounding
- rounding
- surgery
- surgical experience
- surgical experience
- Surgical experience.
- Dr. Chokan and the residents. Had one on one time with residents.
- rounding on patients and writing in house notes
- Surgical techniques and ER consults
- surgery
- proper prior planning prevents poor performance
-
- Laid back environment allows to spend time taking things slow
- Laid back environment allows to spend time taking things slow
- Laid back environment allows to spend time taking things slow
- many surgeries suturing skills

e. What aspects of this program need improvement and/or attention? Please make suggestions.
- need more clinic or private practice office hours
- more time in clinic
- more time with Dr. Zema more patients
- none
- more clinic time
- resident is not organized and efficient lots of waiting around

- become a 3 year program
- nothing
- none
- None
- more surgery
- none
- too much down time while at the hospital on some days
- None
- No set schedule makes it seem a little disorganized at times.
- none

03. Which best describes the location of this practice or hospital site:

- Rural Area - 5.9%
- Small Town - 17.6%
- Small City - 50%
- Suburb - 26.5%
- Large City - 0%
- No Answer - 0%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

a. If there was free time on weekends from this program, what did you find to do?
    - spent time with family
    - relax
    - home with family
    - weekends are totally free
    - home
    - studyrelax
    - watch football
    - yes
    - stayed home hang out with friends
    - family
    - home
    - y
    - Yes. Study.
    - no
    - yes
    - anything
    - Same stuff I did in for the past 3 years.
    - Was at home
    - yes.
    - Went home
    - study
    - I was able to travel home every night
    - none
b. If free housing was provided, please list where.
    - no housing provided
    - na
    -
    - at hospital
    - none - lived at home
    - none
    - na
    - home
    - na
    - NA
    -
    - NO
    - na
    - no

-

- yes
- yes
- no
- no
- Yes.
- yes
- too and from home
- Yes
- Yes
- Yes
-
- yes
- yes
- yes
- yes

f. If you did need a car, how many miles a day did you drive?
- 40 per day
- 80
-
- 120 miles

- 30ish
-
- 10
- to and from program
- mostly at hospital...sometimes travel to Dr. Chokans office
- NA
- 66 miles
- 45
- 60
- 10
- 10 miles
- too and from
- 80
-
- 32
- 32
- 60
-
- na
- about 70 from parma and back.
- 40 miles
- about 60 miles a day
- 80 miles
- 65 miles
- 100
-
- I drove to the hospital and from there traveled with the resident
- I drove to the hospital and from there traveled with the resident
- I drove to the hospital and from there traveled with the resident
- 30 miles one way

g. How much did the transportation to the program and back cost?

- depends on gas prices
- i dont know
-
- 60week
- gas 3.50 gal.
-
- 100
- ?
- na
- NA
- not bad since gas prices have dropped whippie
- whatever gas was at
- 25week
- 5
-
-
- NA
-
- 5
- 5
- gas
- just cost of gas
- just cost of gas
- Gas money
- 50 cents for the toll road plus gas
- a lot bc i commuted from Cleveland each day
- 10day
- 30week
- 120
-
- NA
- NA
- NA

- 30 dollars per week

h. Is there a residency program associated with this program?
- yes a program is associated
- yes
-
- yes
- yes
- yes
- yes
- yes
