Youth & Young Adult Virtual Volunteer Information Session
Thursday, April 25th 12:00-1:00 PM

Summer Youth Corps Blood Donor Ambassadors (ages 16-24) welcome blood donors, support a positive blood donation experience, assist with registration & refreshment area at blood drives.

International Humanitarian Law Youth Action Campaign empowers youth and young adults, ages (ages 13-24) to learn about international humanitarian law—the body of law that governs armed conflict. Young people volunteer to educate the American public on IHL by exploring topics with their communities through peer-to-peer education campaigns. Youth teams participate in an IHL training, during which they learn how to build their own educational campaigns and conduct in-person and social media activities to promote awareness around IHL.
