Yes 100%

No - 0%

f. Perform Skin-Skin Procedures?

Yes 40%

No - 60%

Program Requirements & Recommendations

02. Please type in your answers to the questions below. (Note: 500 character maximum for each question)

a. What specific preparation should future students do prior to participating in this program?

- ◊ none
- ◊ A few doctors ask drugs steroids NSAIDS pain meds anti-fungals others ask questions pertaining to the clinical work-up of their patients
- ◊ Not a whole lot may want to familiarize self with common surgeries i.e. bunionectomies hammertoe procedures
- ◊ review surgical procedures medication dosages post-op note writing
- ◊ study up on the procdures the night before
- ◊ NA
- ◊ review pain meds NSAIDs and surgeries prior to scrubbing in
- ◊ None
- ◊ General Knowledge about surgical procedures
- ◊ none
- ◊ be able to write pre-op notes post-op notes in house patient soap notes
- ◊ 0
- ◊ 0
- ◊ 0
- ◊ read up on surgeries and mcglamrys
- ◊ review surgery notes and trauma classifications practice suturing
- ◊ know surgical classifications and general sugical knowledge
- ◊ Study trauma classifications flatfoot reconstruction how to write admit notes soap notes etc.

- ◊ Study trauma classifications flatfoot reconstruction how to write admit notes soap notes etc.
 - ◊ Practice suturing
 - ◊ changes and Mcglamrys
 - ◊ read class notes
 - ◊ Trauma classifications
 - ◊ Know a lot about ankle fractures
 - ◊ Doing well to them is more about who the residents like in social situations rather than how much effort you put in.
 - ◊ lower extremity anatomy suturing hand ties trauma classifications
 - ◊ Practice suturing hand-ties and writing postop notes you get a lot of hands on experience here
 - ◊ look over forefoot and rearfoot surgeries
 - ◊ working pts up pre- and post op
 - ◊ Review all surgical procedures
- b. What instruments or materials were you required to bring?
- ◊ stethoscope neuro hammer PDA scissors
 - ◊ bandage scissors notebook pens
 - ◊ Stethoscope bandage scissors PDA white lab coat
 - ◊ none
 - ◊ none
 - ◊ NA
 - ◊ white coat drug guide scissors stethoscope
 - ◊ None
 - ◊ White Coat Pen PocketPharm
 - ◊ none
 - ◊ bandage scissors stethoscope
 - ◊ White Coat
 - ◊ stethoscope bandage scissors pocket notebook pens
 - ◊ Stethoscope I never used it White coat medical dictionary and drug guide
 - ◊ Stethoscope I never used it White coat medical dictionary and drug guide
 - ◊ NA
 - ◊ tape scissors
 - ◊ all
 - ◊ White coat
 - ◊ white coat
 - ◊ Just show up because not all of the scheduled locations are that well organized - I never even received my security badge for the month.
 - ◊ stethoscope bandage scissors drug reference
 - ◊ white coat and bandage scissors
 - ◊ none
 - ◊ white coat
 - ◊ Non
- c. What were your chief responsibilities on this program?
- ◊ drawing up injection tourniquet post op note
 - ◊ In the AM you are in surgeries depending on which doctor - you may or may not scrub in the afternoon you go to different local podiatrists offices you either shadow or do HP for new patients
 - ◊ Assist with surgical prep write post-op note rounding
 - ◊ post - op notes writing prescriptions OR room prep
 - ◊ hPs before surgery drawing up locals before surgery mc glamery chapter review and a power point presentation on an article
 - ◊ NA
 - ◊ O.R. prepping assist in surgery and in office
 - ◊ Prepare the patient pre-op with paperwork injections draping etc...
 - ◊ Acting as a resident
 - ◊ assist in surgery work at offices
 - ◊ pre-op H P draw up local for the block post-op note
 - ◊ follow resident and visit attendings offices
 - ◊ follow resident and visit attendings offices
 - ◊ follow resident and visit attendings offices
 - ◊ drawing up local h p and any other paper work before surgeries assist in surgery
 - ◊ assist surgeries round with resident go to private offices
 - ◊ preparing pre-op HP and Med Rec Post- op notes injections putting up x-rays

- ◊ Retract fill out pre op notes suture about 50 of cases. My only skin to skin was amputating a toe.
- ◊ Retract fill out pre op notes suture about 50 of cases. My only skin to skin was amputating a toe.
- ◊ All pre-op notes and prepping patients.
- ◊ treat patients write notes
- ◊ read before case4s
- ◊ Draw up local and do HP before surgery Pull gloves.
- ◊ assist in surgery attend private offices in the afternoon
- ◊ To take your logs regardless of what the residents might say about them.
- ◊ pre-op HP drawing up local post-op notes
- ◊ go to surgery with residents and visit attendings offices
- ◊ HPs and assisting in surgery
- ◊ assisting in surgery and the preparation
- ◊ Be a first assist

d. What were the most valuable learning experiences of this program?

- ◊ surgery
- ◊ Getting comfortable in the O.R. being able to scrub insuture seeing how different doctors run their private offices
- ◊ Appreciating the different surgical styles of each attending
- ◊ post - op notes surgical experience
- ◊ surgical procedure and scrubbing
- ◊ NA
- ◊ O.R. and office exposure
- ◊ Surgery
- ◊ Surgical Exposure
- ◊ good surgery
- ◊ the number of attendings you are able to rotate with in the office
- ◊ 0
- ◊ 0
- ◊ 0
- ◊ surgery experience
- ◊ they allow a lot of hands on experience with incisions suturings and assisting in surgical cases
- ◊ the surgical experience was awesome
- ◊ It was my first so I learned to retract read a lot and learned how to suture a lot better.
- ◊ It was my first so I learned to retract read a lot and learned how to suture a lot better.
- ◊ OR time
- ◊ how to treat trauma patients
- ◊ matt trucello
- ◊ None
- ◊ OR experience
- ◊ Youll see what the docs are more about these days leaving a patient waiting in the OR while he went to lunch for instance.
- ◊ extensive rearfoot surgical cases
- ◊ learning important principles of surgery
- ◊ Surgical exposure
- ◊ surgery
- ◊ Learning how to do surgery hands on

e. What aspects of this program need improvement and/or attention? Please make suggestions.

- ◊ none
- ◊ Would have been nice to know surgical schedule ahead of time.
- ◊ organization earlier scheduling and communication with students on surgical schedules and scheduling of students to private practices
- ◊ none
- ◊ Didactic areas
- ◊ With the split of KY programs there was a bit of a headache but its worked out now.
- ◊ one resident
- ◊ more residents
- ◊ recently split into two programs needs more stability
- ◊ not enough outside education however I heard from students who went later in the year that was improving
- ◊ The program needs to stop badmouthing jewish st marys program and stop making the students a part of the politics
- ◊ I saw very few diabetic procedures. The focus seemed to be on sport medicine and the two main doctors Childress and Myrick do 80 of the cases. Childress doesnt let the students do a whole lot but asks more questions. Dr. Myrick was a great teacher in su
- ◊ more organization with surgery schedule

- ◊ nada
- ◊ Needs more resident to student structure.
- ◊ better communication of the schedule
- ◊ Academics consisted of presentations only where less than half the people showed up and even then more interest was put into eating the food.
- ◊ not many of the attendings let students see pts at the pm office rotations so it was a waste of time
- ◊ at times things were pretty disorganized and going to attendings offices in afternoon was a waste of time sometimes
- ◊ Need to know what the surgery schedule is more than hte night before the case
- ◊ attendings making students feel more welcome
- ◊ None... best program in the country.

03. Which best describes the location of this practice or hospital site:

- Rural Area - 3.3%
- Small Town - 0%
- Small City - 30%
- Suburb - 23.3%
- Large City - 0%
- No Answer - 43.3%

Additional Costs & Activities

04. Please type in your answers to the questions below about activities and necessary items. (Note: 500 character maximum per question)

- a. If there was free time on weekends from this program, what did you find to do?
- ◊ go out
 - ◊ youll be on call one weekend went out with the residence to 4th street Derby shopping drove to Cincinnati 1.5 hrs away
 - ◊ Derby week was awesome May. Mall movies eateries
 - ◊ kentucky derby restaurants went home
 - ◊ the derby shop eat out relax
 - ◊ derbymovies mall local restaurantscook-out with relatives
 - ◊ Whatever I wanted
 - ◊ T.V. Mall
 - ◊ go home
 - ◊ go out go home
 - ◊ went home one call one weekend churchill downs louisville slugger mesuem
 - ◊ Derby! family
 - ◊ shopping work on projects
 - ◊ The pretty much wanted us to be on call all the time. I did get two weekends off to spend with my family because I asked for it but I felt like I shouldnt have taken the time off.
 - ◊ Hung out with friends and residents
 - ◊ the highlands in louisville
 - ◊ read
 - ◊ Went homestayed in town and explored
 - ◊ explored kentucky
 - ◊ Visit with family or work on own research.
 - ◊ Churchill Downs movies mall
 - ◊ go out with residents churchhill downs riverbats games
 - ◊ Golf and football
 - ◊ hang out with residents
 - ◊ Golf exercise relax
- b. If free housing was provided, please list where.
- ◊ across from the hospial
 - ◊ In a building across the street from the main hospital. Nice place with 2 full baths 3 half baths 4 bedrooms free laundry common area and resident offices downstairs w computers that have internet access.
 - ◊ Residency house located across street from hospital
 - ◊ podiatric residency house
 - ◊ KPRP resident house
 - ◊ NA
 - ◊ residency house - very accomadating

- ◊ Yes near hospital
 - ◊ Residency House
 - ◊ across from hospital
 - ◊ house across from hospital
 - ◊ yes directly across the street from the hospital
 - ◊ yes directly across the street from the hospital
 - ◊ yes directly across the street from the hospital
 - ◊ yes across from hospital...house
 - ◊ the residency house right beside the main hospital.
 - ◊ residency house across from hospital
 - ◊ Great housing arrangement dirty but free with free laundry and a good fridge and microwave. No stove.
 - ◊ Great housing arrangement dirty but free with free laundry and a good fridge and microwave. No stove.
 - ◊ Residency House was free across street from hospital
 - ◊ yes-residency house
 - ◊ <http://www.casprcrip.org/html/clerkships/pdf2010ClerkshipHandbook.pdf>
 - ◊ Across the street from hospital. It was free but very dirty.
 - ◊ across the street from the hospital
 - ◊ An unused clinic building across the street is where you will sleep but it is very limited - even Internet access is blocked there.
 - ◊ top floor of the residency house
 - ◊ resident house across street from hospital
 - ◊ yes across the street from the hospital
 - ◊ yes across the street
 - ◊ Yes across the street from the hospital
- c. If there was NO housing provided, please list where you stayed and the cost.

07. Please fill in the totals below.

- a. Total number of patients seen by the end of the program:
— **134 Average Number of Patients seen by 30 students.**
- b. Total number of hours spent in program activities by the end of the program:
— **167.97 Average Total Hours spent by 30 students.**

08. Please list any areas of concentration observed while attending this program?

- Trauma
- na
- Forefoot surgery rearfoot surgery orthopedic surgery
- surgery clinic and orthopedics
- none
- THE PROGRAM IS MOVING TO ANOTHER HOSPITAL
- forefoot surgery
- Surgery
- Surgery
-
- well-rounded
- Surgery
- Surgery
- Surgery
- surgery
- multiple types of surgeries since there are numerous attendings with the program. you get a little of everything with forefoot and rearfoot
- calc and ankle fxs
- Sports medicine
- Sports medicine
- Heavy surgery most day surgery went until 2 and less clinic
- trauma
- podiatry
- Surgery
- surgery of all sorts
- This is more of a private office rotation and is too laid back.
- orthopedics trauma sports medicine
- Trauma Surgery Podiatry Office management
- Surgery
- good surgery experience
- A wide variety of podiatric surgeries and office hours.

09. Average number of patients per day, including hospital rounds:

- a. Office: — **12**
b. Hospital: — **5**

10. Rate this program overall on a scale of one to ten. 10 is best:
— **8.3 out of 10 Average Rating of 30 students.**

11. Would you recommend this program?

Yes: — 100%
No: — 0%
