~ Featured Leader ~

Eric Taylor, PhD

Department of Earth Sciences
Faculty Affiliate, Center for Teaching and Learning
Stark Campus

Eric Taylor has been an amazing leader and supporter in the Center for Teaching and Learning as a Faculty Affiliate over this past year. He has been instrumental in the roll out of the Belonging Champions communities, where he has created curriculum, led tutorials on the Ascend Survey tool, and been a wonderful leader of communities of transformation as well as leading facilitator meetings. His thoughtfulness, intelligence, and servant-leadership mindset have helped so many, and we are grateful for his leadership.

~ March Featured Educators ~

Archana Mehta

Fashion Design & Merchandising
Kent Campus

Archana is being nominated for providing meaningful examples and tools during class time with her students.

Zachary Morris

Political Science
Kent Campus

Zach has gone above and beyond in his teaching development over the past two years in seeking new opportunities to build a student-centered classroom environment that promotes critical thinking and scaffolds learning.
