

### NOCTI TESTING CENTER (0037)

National Occupational Competency Testing Institute (NOCTI)

**Note: No letter grade is assigned to NOCTI credit-by-exam hours. They are not part of the cumulative GPA calculation.**

National Occupation Competency Testing Institute (NOCTI) has developed and validated various occupational competency assessments. NOCTI's objective is the advancement of Career Technical Education (CTTE) and the subsequent creation of a workforce for America.

The following are the standards for taking the written and/or the performance tests at the approved Kent State University NOCTI testing center. Individuals may receive a maximum of 24.0 credit hours – 12.0 hours for the written test and 12.0 hours for the performance test.

- The NOCTI test may be used in conjunction with a CTE-36 screening or for college credit in an approved Kent State University Bachelor's degree program.
- To receive college credits at Kent State University, the candidate must be an active KSU student (or past KSU/CTTE student) admitted to Kent State University.
- The rules and regulations for administering the NOCTI testing shall be taken from the NOCTI "Handbook for Area Center Organization and Administration."
- Test Fees are required 3 – 4 weeks prior to the test date:
  - Written Test - \$350.00
  - Performance Test – \$400.00 (plus cost of materials at personal expense)
- No refund will be possible once the testing process has been initiated.
- Testing fees may be paid via credit card/ACH/electronic check here: <http://commerce.cashnet.com/TLCSTUDIES>

CTTE teachers take the written NOCTI test in their trade area at the Kent Campus. After successfully passing the written test, the teacher may schedule to take the performance test in a neutral lab setting at a later date. Questions regarding this testing procedure may be directed to Dr. Davison Mupinga at [dmupinga@kent.edu](mailto:dmupinga@kent.edu) or 330.672.0676.

### REGISTRATION REQUEST FOR NOCTI TEST

To register please complete the items below and submit the document electronically via email to Sherry Ernsberger, School of TLC Business Manager: [searnsber@kent.edu](mailto:searnsber@kent.edu). Please contact Sherry with any questions regarding registration requests and testing fee payments.

Today's Date: \_\_\_\_\_ Proposed NOCTI Test Date: \_\_\_\_\_ Kent State ID: \_\_\_\_\_

Name: \_\_\_\_\_ Email: \_\_\_\_\_  
(First, Middle Initial, Last)
