TO KNOW

Enrollment Fee Details

Confirm your student's place in the freshman class by paying the enrollment fee. The enrollment fee is \$150 and is a one-time fee that covers the student's cost for Destination Kent State and other new student orientation activities for incoming freshmen at the Kent Campus. **The deadline to submit the enrollment fee is May 1, 2014.** After May 1, enrollment fees will be accepted on a space-available basis only. The enrollment fee must be paid prior to registration for Destination Kent State: Advising and Registration.

To pay the enrollment fee online, have your student log in to FlashLine and click on the New@KSU tab. Click on the Next Steps: Checklist for Kent Campus Freshmen and follow the instructions for Pay Enrollment Fee. Parents can also pay the enrollment fee through KSUview.

If you prefer, you may mail in a \$150 check payable to Kent State University Admissions Office in the envelope provided with this packet. Please write the Kent State identification number (found on the admission letter) in the memo line of the check to ensure the payment is credited to the correct student account. Phone payments will not be accepted.

The enrollment fee is refundable until May 1, 2014, for students who decide to enroll at another college. You must request a refund in writing to: Enrollment Fee Refund, Admissions Office, Kent State University, PO Box 5190, Kent, OH 44242-0001. No refunds of the enrollment fee will be made after May 1, 2014.

Complete the Online Housing Application or Submit the Mandatory Housing Exemption Form

Go online to www.kent.edu/housing to review Kent State's outstanding on-campus housing options. Be sure to click on the Learning Communities tab for information on Kent State's many academic partnerships and initiatives.

The online housing application will be available beginning Feb. 1, 2014. Housing assignments are made based on the date of the submitted application. The \$25 housing application fee is a one-time, nonrefundable fee to apply for on-campus housing. The \$200 housing pre-payment will be applied as a credit to the fall invoice. It is refundable if a request is made in writing to Residence Services by June 1, 2014. No refunds will be made after June 1. Housing assignments will be communicated to students via email in early July 2014.

For any student who will be under the age of 18 when submitting the housing contract, approval of the parent or guardian is required. To grant approval prior to applying, please visit FlashLine and access the tab for KSUview. Once parental or guardian approval is on file, the housing application may be completed.

All incoming freshmen are required to live on campus for their first two years. Incoming freshmen who live within a 50-mile radius of the Kent Campus may choose to commute from the permanent address of their parents or legal guardian. Students who choose this option must submit the Mandatory Housing Exemption form, which is available on the Residence Services website. Incoming freshmen who do not have an exemption are required to live on campus.

Kent State also offers a number of outstanding dining options. For more information, go online to www.kent.edu/dining or call 330-672-2541.

Destination Kent State: Advising and Registration Details

Destination Kent State is a required three-step orientation program designed to help students transition to Kent State and achieve success. The first step is Destination Kent State: Advising and Registration. All new students will attend the program in June or July to register for fall classes. During the overnight visit, students will stay in the residence halls, meet other incoming students, meet with an academic advisor to create their fall class schedule and take part in many more activities.

Invitations to register for this program will be mailed to your home beginning in March. Once you receive the invitation, go online to www.kent.edu/destination for additional information and to register. The enrollment fee helps cover the cost of the program, so there are no additional fees for students to attend.

Family members are invited and encouraged to attend Destination Kent State: Advising and Registration with their students. They will have the opportunity to learn more about financial aid and payment options, living on campus or commuting to campus, as well as how to help their student make a successful transition to college life. Family members attending the program will pay a program fee of \$39 per person. Family members who choose to spend the night will be housed in a residence hall separate from their student at a cost of \$23 per person. Families driving long distances can choose to spend an additional night in the residence hall prior to their visit, at a cost of \$23 per person. Payment of fees is required at the time of registration for the program. Fees are subject to change.

Setting up KSUview is easy. Have your student complete these simple steps:

- Log in to FlashLine and select the Student Tools and Courses tab. You'll find KSUview in the Submit Requests box.
- Choose Add Designee and fill in the fields for First Name, Last Name and Email Address for the person you're giving access to; click Add Designee.
