

About Kent State Trumbull

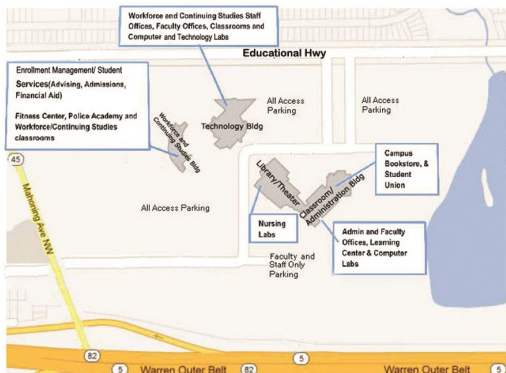

Kent State University at Trumbull spans 438 acres with three academic buildings occupying 246,500-square feet of space; in addition to a spectacular two-acre natural resource in Lake Anne.

Kent State Trumbull is an open-admission campus of over 3,000 students, 134 full and part-time faculty, 50 administrative and support staff and a \$12-million dollar annual operating budget.

At Kent State Trumbull, students are able to complete any one of over 24 different associate or bachelor's degrees - including Nursing, Justice Studies, Technology, Business Management, English and General Studies - or begin coursework for any of the more than 280 academic programs offered by Kent State. Additionally, Kent State Trumbull offers 18 certificate programs as well as a master's degree program in Public Health.

The campus is also home to the Ohio Basic Police Academy and a Corrections Training Facility. Kent State Trumbull is part of the eight-campus network of Kent State University, a Doctoral Research University-Extensive Institution.

Welcome

Job Fair

The most qualified employees in the region are about to earn their degrees from Kent State University at Trumbull and begin their job searches. We are very excited to showcase our well-prepared students from a variety of disciplines.

Kent State University at Trumbull's Job Fair event is held once per semester and is open to students as well as the general public.

The Job Fair runs from 10:00a.m. to 2:00p.m. in room 117 and throughout the rotunda area of the Technology Building.

Backpack to Briefcase

Kent State University at Trumbull's Backpack to Briefcase event was created to help students entering the workforce to perfect their résumés and interviewing skills. Our intent is to arrange mock interviews with representatives from local companies and members of the Kent State Trumbull community. The interviews include a review of résumés and cover letters as well.

Backpack to Briefcase opens one hour before the start of the Job Fair event and runs from 9:00a.m. to 1:00p.m. in room 174 of the Technology Building.
