Exciting Opportunities Await You With
KENT STATE IN UGANDA, EAST AFRICA!

Study in Uganda’s Parks and Reserves
Global Tourism: RPTM 26060
Outdoor Recreation: RPTM 26081
May Intersession

For two exciting weeks students will tour Uganda. Highlights include three national parks, rural villages, the capital city and the mighty Nile River. Students will participate in a variety of outdoor recreation activities, including hiking, wildlife viewing and white water rafting. Students will learn firsthand about challenging global issues such as environmental conservation and rural development. In addition, students will recognize the potential of international travel and outdoor recreation to foster personal growth and development. This opportunity earns students six credits which can be applied to any major or minor within KSU’s Recreation, Park and Tourism Management Program.
