Students may earn academic credit through the College Board's College Level Examination Program (CLEP) administered at Kent State by the Office of Academic Engagement and Degree Completion. CLEP allows a student to earn college credit for prior knowledge and move on to more advanced coursework sooner. Credit hours, but no letter grade, is granted for scores that meet the minimum for each exam as determined on the CLEP guide for the Kent State University Catalog in effect at the time of the exam.

For additional CLEP information, including available tests, Kent State course equivalents and test dates, visit the Placement and Testing Office website. Refer to the Alternative Credit-Testing Eligibility policy at catalog.kent.edu for more regulations on earning credit through testing.

Posting of CLEP credit is processed for all Kent State University campuses by the Credit Transfer staff in the Schwartz Center Building within the Office of the University Registrar (330-672-8950).
