## When contacting schools to evaluate options, consider asking the following questions:

### 1. Are you accepting new students?

### 2. Do you offer Private Pilot Certificate Training?

- What is the cost?
- What is the schedule to train?
- When can we start?
- What is your average time to completion?

### 3. Do you offer Instrument Rating Training?

- What is the cost?
- What is the schedule to train?
- When can we start?
- What is your average time to completion?

### 4. Do you offer Commercial Certificate Training?

- What is the cost?
- What is the schedule to train?
- When can we start?
- What is your average time to completion?

### 5. Do you offer Multi-Engine Training?

- What is the cost?
- What is the schedule to train?
- When can we start?
- What is your average time to completion?

### 6. Are the lessons pay as you go?

### 7. Do you accept payment plans?

<b>Flight school name and name of person contacted:</b>	<ol style="list-style-type: none"> <li>1. Are you accepting new students?</li> <li>2.
