## **Proposal Summary**

### **Program Requirement Revision for MA Sport and Recreation Management**

#### **Description of Action, Including Intended Effect**

This proposal revises list of electives for the Master of Art Sport and Recreation Management [MA SRCM] major by adding SRM 55033 *Change Your Mind, Game and Life* (1 cr) and SRM 63195 *Special Topics in Exercise, Leisure and Sport* (1-3 cr) to the list of elective courses available for both the Thesis and Non-thesis options within the SRCM concentration. SRM 55033 was previously offered as a special topic but is being adopted as a regular course.

Additionally, the catalog currently states that a minimum 34 credits is required for graduation for SRM majors; however, students in the Sport Studies concentration [SPST] only have to complete a minimum 33 hours. Therefore, this action also corrects the catalog copy by stating that 33-34 hours are required.

Hi Steve:

Attached is a course that Walter has been offering under SRM special topics. We would like to convert this to a regular course. If you could review the course and give us the go ahead I'd appreciate it as I plan on sending this out to the FLA CC on Weds.

Thanks  
Aaron
