

EHHS Doctoral Student Forum

Previous Events

Spring 2011

Saturday, April 2

Discussion of Comprehensive Exams and Writing the Dissertation Proposal with Dr. Iverson.

Saturday, April 30

This event discussed Data Analysis Computer Software (Quantitative and Qualitative). We were joined by Matthew Williams and Tina Ughrin to discuss qualitative and quantitative research computer software. This was a great event!

Saturday, March 12: Doctoral Student Presentations

We had a wonderful day on March 12 at the EHHS Doctoral Student Forum hearing student presentations and discussing professional topics. All the documents for the day can be found on the "Documents" page.

Fall 2010

Saturday, December 4: Holiday Social

The annual Christmas social was held at Dr. Susan Iverson's home (details will be forthcoming).

Saturday, November 6th *Read Room, White Hall (Room 200, White Hall).*

We heard from Dr. Kist on applying and interviewing for jobs and from Dr. Bintz on writing the CV. Pizza was provided and there was discussion on preparing the job portfolio.

Saturday, October 2 *Read Room, White Hall and "The Old Jailhouse" Fred Fuller Park.*

The **EHHS 5th Annual Retreat** gave us the opportunity to meet new faces as well as reconnect with old friends.

Spring 2010

Saturday February 6, 9:00am to 12:00pm *Read Room, White Hall (Room 200, White Hall).*

We heard from faculty on academic writing and writing for publication:

Saturday March 6, 9:00am to 12:00pm *Read Room, White Hall.*

This was an opportunity for students to present their research interests to our peer group of doctoral students.
