## Faculty Research Interests

Our faculty members are well known for leadership, scholarship, and research in a variety of areas, including:

School counseling

Clinical mental health counseling

Counseling couples and families

Social justice and advocacy for historically marginalized populations

Social construction concepts applied to counseling practice and the training of counselors

Crisis and trauma

Suicide assessment and prevention

Addictions counseling

Teaching and supervision in counseling education

Counseling children and adolescents

## Faculty Recognition & Professional Service

Faculty members have been recognized by professional associations, for example, as outstanding mentors by ACES and Ohio ACES, and for diversity initiatives by the National Career Development Association.

They have also served the counseling profession as presidents of Chi Sigma Iota International, ACES, North Central ACES, and Ohio ACES.

## Nationally Accredited

### CACREP

Council for Accreditation of Counseling and Related Educational Programs
