

## Faculty Expertise

Our faculty members are well known for leadership, scholarship, and research. Their broad range of expertise includes:

- The effectiveness of school counseling models on student success
- Academic risk and resilience that impact career development issues among low income students and youth of color
- The impact of trauma on students
- Social justice and advocacy for historically marginalized populations
- School counseling for students with mental health issues such as anxiety and behavior disorders
- Assessment, prevention, and treatment of suicide

## Employment of Our Graduates

Graduates of the SCON program have held positions as school counselors in a number of school systems, including at:

Akron City Schools (Akron, OH)  
 Canton City Schools (Canton, OH)  
 Cleveland Municipal School District (Cleveland, OH)  
 Kent City Schools (Kent, OH)  
 Morgan Local School District (McConnelsville, OH)  
 Osceola School District (Kissimmee, FL)  
 Rosman High School (Rosman, NC)  
 Solon City Schools (Solon, OH)  
 Winner City Schools (Winner, SD)  
 ...and many more across the nation!
