

# Master's Degree in Educational Technology with a Computer Science Endorsement

## Kent State University

### PROGRAM OF STUDY

Candidates for the Educational Technology (ETEC) master's degree with an Ohio Computer Science Endorsement must complete a minimum of 33 hours of graduate level course work. The program includes 12 hours of core requirements, 18 hours of additional required coursework, and 3 hours of a culminating experience. Other elective coursework may be included with the permission of the student's advisor. Students must have signed approval of a program of study before beginning their third semester of coursework. The program of study must be filed with the Office of Graduate Student Services (418 White Hall). Changes must be approved by the advisor before graduation.

There is an Ohio Assessment Exam (OAE) that you must pass in order to add this endorsement to an existing teaching license. Upon successful completion of the endorsement coursework and OAE exam, the student must complete the online "Licensure Pre-Application" found in the student portal: <https://stuportal.ehhs.kent.edu/>. Please visit the Vacca Office of Student Services webpage (<https://www.kent.edu/ehhs/voss/how-apply-educator-license>) for instructions. You will need to upload a signed Plan of Study during this process unless you have already submitted one to the Office of Graduate Student Services (418 White Hall). Once you have successfully completed and submitted your Licensure Pre-Application, the online system will connect you directly with the Ohio Department of Education's online licensure system where you will complete the process and make payment.

### CORE REQUIREMENTS (12 credit hours)

Course Number	Course Title	Credit Hours	(Anticipated) Completion
ETEC 57427	Technology and Learning	3	
ETEC 57400	Trends in Educational Technology	3	
ETEC 57403	Instructional Design	3	
ETEC 67420	Research Issues in Educational Technology	3	
<b>Total Core Requirements credit hours</b>		12	

### ADDITIONAL REQUIRED COURSEWORK (18 credit hours)

CS 61002	Algorithms and Programing I	4	
CS 61003	Algorithms and Programing II	4	
CS 61004	Operating Systems & Architecture	4	
ETEC 67402	Managing School Technology Centers and Programs	3	
ETEC 67434	Emerging Technologies for Instruction	3	
<b>Total Specialization credit hours</b>		18	

**REQUIRED CULMINATING EXPERIENCE (3 or 6 credit hours)**

Course Number	Course Title	Credit Hours	(Anticipated) Completion
ETEC 67492	Practicum and Portfolio Taken in the last semester of graduate study.	3	
<b>Culminating Experience credit hours</b>		3	

**TRANSFER CREDIT (up to 12 credit hours)**

Graduate credit may be transferred from another accredited institution or another degree program at Kent State University. It cannot be older than 6 years at the time of graduation. An adviser-approved Request for Transfer of Graduate Credit form, with an accompanying official transcript, must be submitted. The advisor is responsible for determining the relevance of specific courses.
