****Immigration Document Process***

- ***Within a few business days of admission notice, the student will receive an email with their credentials and instructions to set up their FlashLine account***
- ***The student will then receive instructions on how to proceed with the I-20 request process. This is done through our Terra Dotta software system***
 - Financial documents, passports, etc.
- ***When the student has successfully submitted the I-20 request, they will receive this communication for the I-20 process to begin:***
 - I-20 requests are reviewed in approximately 24 to 48 hours in the order received (Excluding Weekends and Holidays)
 - Should any requirements be missing or insufficient, an email will be sent to the student
 - It may take a week or longer to complete the review process, depending on how quickly the bank verifies documents and available balance
 - Once verified with the bank, we will then move forward with the I-20 process
 - Processing is complete when the student receives email notification at their Kent State University email address
 - The student is able to download their I-20 from the Terra Dotta portal when it is ready

We look forward to
