**Fall 2023**

**Residence Hall Move-in  
Aug. 15-17, 2023**

*Move-In Parking Map and Instructions*

Short-term parking will be available around the residence halls for move-in. If you have more than one vehicle in your party, you may only unload one vehicle at a time in the short-term parking areas. All other vehicles will be directed to long-term parking.

Long-term parking will be available in the C lots for those vehicles that have been unloaded, or for those vehicles that are waiting to be unloaded. Those areas are highlighted in BROWN on this map. Parents and visitors are welcome to park in the long-term areas for the day.

Kent state students with "S" parking permits must move their vehicle to their assigned area by the end of the day. Students with "Stadium" permits must have their car moved to the stadium parking lot after moving in. All parking regulations will be in effect immediately following move-in.
