## General Information

---

### **What is your agreement with us?**

This policy and your application contain the entire contract between you and us. Any statements you make will, in the absence of fraud, be considered representations and not warranties. Also, any statement that you make will not be used to void this policy, nor will it be used in our defense if we refuse to pay a claim, unless the statement is contained in your application.

No change or waiver of any provisions of this policy, or any certificate issued under it, will be valid unless made in

writing by us and signed by our president, a vice-president, our secretary, or an assistant secretary.

No agent or other person has the authority to change or waive any provisions of this policy, or of any certificate issued under it.

### **Are employees of associated companies eligible for insurance under this policy?**

Yes. Employees of associated companies may be eligible for insurance under this policy. Associated companies are shown on the specifications page attached to this policy. You represent any associated company in all transactions pertaining to this policy. Your acts or omissions and every notice given by us to you shall be binding on every associated company. When an associated company ceases its participation under the policy, the policy shall be considered to be terminated for all employees of the associated company. All provisions related to the policy terminating will apply to such employees.

### **Can this policy be amended?**

Yes. The insured's consent is not required to amend this policy or any certificates issued under it. Any amendment will be without prejudice to any claim for benefits incurred prior to the effective date of the amendment.

### **Who is eligible for insurance?**

An employee is eligible if he or she:

- (1) is a member of the group and of an eligible class as shown on the specifications page attached to this policy; and
- (2) works for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page attached to this policy; and
- (3) has satisfied the waiting period as shown on the specifications page attached to this policy; and
- (4) meets the actively at work requirement as shown in the section entitled "What is the actively at work requirement?".

### **Are retired employees eligible for insurance?**

If the policyholder's plan of insurance, as reflected in the specifications page attached to this policy, does not specifically provide insurance for retired employees, a retired employee shall not be eligible to become insured, nor have his or her insurance continued. If the policyholder's plan of insurance specifically provides insurance for retired employees, the minimum hours per week and actively at work requirements will not apply to such persons.

### **What is the actively at work requirement?**

To be eligible to become insured or to receive an increase in the amount of insurance, an employee must be actively at work, fully performing his or her customary duties for his

or her regularly scheduled number of hours at the employer's normal place of business, or at other places the employer's business requires him or her to travel.

If the employee is not actively at work on the date coverage would otherwise begin, or on the date an increase in his or her amount of insurance would otherwise be effective, he or she will not be eligible for the coverage or increase until he or she returns to active work. However, if the absence is on a non-work day, coverage will not be delayed provided the employee was actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this policy, an employee is eligible to continue to be insured only while he or she remains actively at work.

### **When will we require evidence of insurability?**

Evidence of insurability will be required if:

- (1) the specifications page attached to this policy states that evidence of insurability is required; or
- (2) the insurance is contributory and the employee does not enroll within the enrollment period shown on the specifications page attached to this policy; or
- (3) the insurance for which the employee previously enrolled did not go into effect or was terminated because the employee failed to make a required premium contribution; or
- (4) during a previous period of eligibility, the employee failed to submit required evidence of insurability or that which was submitted was not satisfactory to us; or
- (5) the employee is insured by an individual policy issued under the terms of the conversion right section.

### **When does insurance become effective?**

Insurance becomes effective on the date that all of the following conditions have been met:

- (1) an employee meets all eligibility requirements; and
- (2) if required, the employee applies for the insurance on forms which are approved by us; and
- (3) we are satisfied with the employee's evidence of insurability, if we require evidence; and
- (4) we receive the required premium.

### **Can an insured employee's coverage be continued during sickness, injury, leave of absence or temporary layoff?**

Yes. Insurance may be continued on an insured employee who is not actively at work due to sickness, injury, leave of absence or temporary layoff, subject to the employer's practices and procedures, including the employer's limits on the length of continuation allowed for the type of absence. Continuation is contingent upon

continued premium payment and is subject to the following maximum time frames:

- (1) for an employee on non-medical leave of absence, sabbatical or temporary layoff, insurance cannot be continued beyond 12 months from the last day the insured employee was actively at work.
- (2) for an employee on a medical leave of absence, insurance cannot be continued beyond the later of 12 months from the last day the insured employee was actively at work or the date the employee attains age 65.

Continuation of insurance must be in accordance with practices and procedures that preclude individual selection.

Coverage during a leave of absence and upon return from a leave of absence shall meet all state and federal requirements. The above limits will be expanded if necessary in order to meet such requirements.

## Premiums

---

### When and how often are premiums due?

Unless we have agreed to some other premium payment procedure, premiums for this policy are remitted to us monthly. Premiums are due on the premium due date as shown on the specifications page attached to this policy. We apply premiums consecutively to keep the insurance in force.

You may pay premiums before they are due for any period up to the next policy anniversary. Premiums paid in advance should be calculated at the rate of the monthly premium currently due.

Premium contributions for contributory insurance are to be paid to you. The premium contributions by insureds for contributory insurance should be remitted to us as due along with the premiums payable for noncontributory insurance.

### How is the premium determined?

The premium will be the premium rate multiplied by the number of \$1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which you and we agree.

We may change the premium rate:

- (1) on any premium due date following the expiration of any rate guarantee period, or following the date that the amount of insurance in force for any one coverage or across coverages changes by more than 20% from that which was used to determine the current rates (active employee coverage and retiree coverage are considered separate coverages, as are basic life, supplemental life, spouse life, child life and AD&D); or

- (2) anytime, if the policy terms are amended or the total amount of insurance in force changes by 20% from the volume that was used to determine the current rates or more.

### Can a premium be paid after the date it is due?

Yes. This policy has a 31-day grace period. If a premium is not paid on or before the date it is due, that premium may be paid during the 31-day period following the due date. The insurance under this policy will remain in effect during the 31-day grace period. This grace period does not apply to the first premium payment.

### Can the premium be adjusted?

Yes. We will adjust the premium on each due date for insurance which was effective or terminated before the most recent due date, but not reflected in prior premium payments. We will charge you for any additional premium, and will refund any overpayment, excluding any overpayment made more than 12 months before the adjustment.

## Death Benefit

---

### What is the amount of the death benefit?

The amount of the death benefit is the amount of insurance shown on the specifications page attached to this group policy.

### Can an insured request a change in the amount of his or her contributory insurance?

An insured can request a change in his or her contributory insurance amount only during an annual open enrollment period, as determined by the employer, or within 31 days of a Qualified Status Change. Qualified Status Change shall be as determined by the employer.

If an insured requests an increase in the amount of his or her contributory insurance, we will require evidence of insurability, unless otherwise noted on the specifications page.

### When will changes in an insured's coverage amount be effective?

Requested increases in the amount of an insured's contributory insurance, if approved, are effective on the date we approve the increase. Requested decreases in the amount of an insured's contributory insurance are effective on the first day of the month following receipt of the insured's request for a decrease, or if different, according to the administrative practices of the employer.

Requests for a change made during a special enrollment period offered by the employer will not become effective prior to the general effective date of elections made during that enrollment.

Increases and decreases in insurance amounts which result from a change in the insured's eligible class or

earnings will be effective as shown on the specifications page attached to this policy.

All increases in the amount of insurance are subject to the actively at work requirement.

### **When will the death benefit be payable?**

We will pay the death benefit upon receipt at our home office of written proof satisfactory to us that an individual died while insured under this policy. All payments by us are payable from our home office.

The death benefit will be paid in a single sum or by any other method agreeable to us and the beneficiary. We will pay interest on the death benefit from the date of the insured's death until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually, or the minimum required by state law, whichever is greater.

Payment of the death benefit will extinguish our liability under the certificate for which the death benefit has been paid.

### **To whom will we pay the death benefit?**

We will pay the death benefit to the beneficiary or beneficiaries. A beneficiary is named by an insured to receive the death benefit to be paid at the insured's death. The insured may name one or more beneficiaries. The insured cannot name you or an associated company as a beneficiary.

The insured may also choose to name a beneficiary that the insured cannot change without the beneficiary's consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless the insured has requested another method in writing. To receive the death benefit, a beneficiary must be living on the date of the insured's death. In the event a beneficiary is not living on the date of the insured's death, that beneficiary's portion of the death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of the insured and a beneficiary, the death benefit will be paid as if the insured survived the beneficiary.

If there is no eligible beneficiary, or if the insured does not name one, we will pay the death benefit to:

- (1) the insured's lawful spouse, if living, otherwise;
- (2) the insured's natural or legally adopted child (children) in equal shares, if living, otherwise;
- (3) the insured's parents in equal shares, if living, otherwise;
- (4) the insured's natural or legally adopted siblings in equal shares, if living, otherwise;
- (5) the personal representative of the insured's estate.

### **Can an insured add or change beneficiaries?**

Yes. An insured can add or change beneficiaries if all of the following are true:

- (1) the insured's coverage is in force; and
- (2) we have written consent of all irrevocable beneficiaries; and
- (3) the insured has not assigned the ownership of his or her insurance.

A request to add or change a beneficiary must be made in writing. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving an insured's notice.

## **Termination**

### **When does an insured's coverage terminate?**

The insured's coverage ends on the earliest of the following:

- (1) the date this policy ends; or
- (2) the last day of the month in which the employee no longer meets the eligibility requirements; or
- (3) the date the policy is amended so the employee is no longer eligible; or
- (4) 31 days (the grace period) after the due date of any premium contribution which is not paid; or
- (5) the last day for which premium contributions have been paid following an employee's written request to cease participation under this policy.

If the insured's coverage under this policy terminates due to non-payment of premiums, his or her coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during the insured's lifetime.

### **Can insurance on the life of an insured be reinstated after termination?**

Yes. When an insured's coverage terminates because he or she is no longer eligible, and the insured becomes eligible again within three months after the date his or her coverage terminated, the insured's coverage under this policy may be reinstated.

Provided the insured is not then covered by an individual policy issued under the terms of the conversion right section, his or her coverage under this group policy shall be reinstated automatically, without evidence of insurability or satisfaction of any waiting period. The amount of insurance will be that which applies to the classification to which he or she then belongs, on the date he or she again becomes eligible. If the policyholder's plan of insurance provides for contributory insurance under this policy, an insured's amount of contributory insurance will be limited to that for which he or she was insured immediately prior to the loss of coverage.

## **When does this group policy terminate?**

You may terminate this group policy by giving us 31 days prior written notice. We reserve the right to terminate this policy on the earliest of the following to occur:

- (1) 31 days (the grace period) after the due date of any premiums which are not paid; or
- (2) on any subsequent policy anniversary after the date the number of employees insured is less than any minimum established by us or as required by applicable state law; or
- (3) 31 days after we provide you with notice of our intent to terminate this policy.

## **Can this policy be reinstated?**

No. We will not reinstate this policy after it terminates. You must submit a new application for a new policy after this policy has terminated.

## **Conversion Right**

---

### **What is the conversion right?**

An insured can convert this insurance to a new individual life insurance policy if all or part of the insured's life insurance under this policy terminates.

The insured may convert up to the full amount of terminated insurance if termination occurs because he or she moves from one existing eligible class to another, or he or she is no longer in an eligible class.

### **What is the limited conversion right?**

Limited conversion is available if, after the insured has been insured for at least five years, insurance is terminated because:

- (1) the policy is terminated; or
- (2) the policy is changed to reduce or terminate the insurance for that individual.

The insured may convert up to the full amount of terminated insurance, but not more than the maximum. The maximum is the lesser of:

- (a) \$10,000; and
- (b) the amount of life insurance which terminated minus any amount of group life insurance for which the insured becomes eligible under any group policy issued or reinstated by us or any other carrier within 31 days of the date the insurance terminated under this policy.

Neither the conversion right nor the limited conversion right is available if the insured's coverage under this policy terminates due to failure to make, when due, required premium contributions.

Under both the conversion right and the limited conversion right, the insured may convert his or her insurance to any

type of individual policy of life insurance then customarily issued by us for purposes of conversion, except term insurance. The individual policy will not include any supplemental benefits, including, but not limited to, any disability benefits, accidental death and dismemberment benefits, or accelerated benefits.

## **How does an insured convert his or her insurance?**

An insured converts his or her insurance by applying for an individual policy and paying the first premium within 31 days after the group insurance terminates. No evidence of insurability will be required.

## **How is the premium for the individual policy determined?**

We base the premium for the individual policy on the plan of insurance, the insured's age, and the class of risk to which the insured belongs on the date of the conversion.

## **When is the individual policy effective?**

The individual policy takes effect 31 days after the group insurance provided under this policy terminates.

## **What happens if the insured dies during the 31-day period allowed for conversion?**

If the insured dies during the 31-day period allowed for conversion, we will pay a death benefit regardless of whether or not an application for coverage under an individual policy has been submitted. The death benefit will be the amount of insurance the insured would have been eligible to convert under the terms of the conversion right section.

We will return any premium the insured paid for an individual policy to the insured's beneficiary named under this group policy. In no event will we be liable under both this group policy and the individual policy.

## **Additional Information**

---

### **What if an insured's age has been misstated?**

If an insured's age has been misstated, the death benefit payable will be that amount to which the insured is entitled based on his or her correct age.

A premium adjustment will be made to the premium you pay for the insured's noncontributory insurance and to the premium an insured pays for contributory insurance, if any, so that the actual premium required at the insured's correct age is paid.

### **Is there a suicide exclusion?**

The specifications page attached to this policy indicates what insurance, if any, is subject to the suicide exclusion outlined below.

When applicable, this suicide exclusion limits our liability to an amount equal to the premiums paid for an insured, if

that insured, whether sane or insane, dies by suicide within two years of the effective date of his or her insurance.

If there has been an increase in the insured's amount of insurance for which he or she was required to apply or for which we required evidence of insurability, and if the insured dies by suicide within two years of the effective date of the increase, our liability with respect to that increase will be limited to the premiums paid and attributable to such increase.

**When does an insured's insurance become incontestable?**

Except for fraud or the non-payment of premiums, after the insured's insurance has been in force during his or her lifetime for two years from the effective date of his or her coverage, we cannot contest the insured's coverage. However, if there has been an increase in the amount of insurance for which the insured was required to apply or for which we required evidence of insurability, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements the insured makes in his or her application will, in the absence of fraud, be considered representations and not warranties. Also, any statement an insured makes will not be used to void his or her insurance, nor defend against a claim, unless the statement is contained in the application and any evidence of insurability application attached to the insured's certificate.

**Can an insured's insurance be assigned?**

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, the insured files the original instrument or a certified copy with us at our home office, and we send the insured an acknowledged copy.

We are not responsible for the validity of any assignment. An insured is responsible for ensuring that the assignment is legal in his or her state and that it accomplishes his or her intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

**Are you required to maintain records?**

Yes. You are required to maintain adequate records of any information necessary for us to administer this policy. We own the records relating to the insurance provided by this policy, and can obtain them from you at any reasonable time.

If a clerical error is made in keeping records on the insurance under this policy, it will not affect otherwise valid insurance. A clerical error does not continue insurance which is otherwise stopped. If an error causes a change in premium payment, we will make a fair adjustment.

**Will a certificate of insurance be provided for each certificate holder?**

Yes. We will provide you with a certificate of insurance for delivery to each certificate holder. The certificate will include information regarding the principal provisions of his or her coverage.

**Will this policy receive experience credits?**

Each year we will determine if this policy will receive an experience credit.

**Are you our agent?**

No. For all purposes of this policy, neither you, an associated company, nor any administrator you appoint is our agent. We will not be liable for any of your acts or omissions or those of an associated company or administrator.

**Will the provisions of this policy conform with state law?**

Yes. If any provision in this policy, or in the certificates issued under this policy, is in conflict with the laws of the state governing the policy or the certificates, the provision will be deemed to be amended to conform to such laws.

# Accelerated Benefits Policy Rider

Minnesota Life Insurance Company - A Securian Company  
400 Robert Street North • St. Paul, Minnesota 55101-2098

**MINNESOTA LIFE**

Benefits received under this Accelerated Benefits Policy Rider may be taxable. Certificate holders should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

## General Information

This rider amends the group policy to which it is attached and is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

### What does this rider provide?

This rider provides for the accelerated payment of either the full or a partial amount of an insured's death benefit provided under the group policy. If the insured has a terminal condition as defined in this rider, an accelerated payment of the death benefit may be requested.

## Definitions

### accelerated benefit

The amount of the death benefit we will pay if the insured is eligible under this rider.

### death benefit

The amount of the insured's life insurance as shown on the specifications page attached to the certificate holder's certificate.

### immediate family

The certificate holder's spouse, children, parents, grandparents, grandchildren, brothers and sisters, and their spouses.

### insured

For purposes of this rider, an insured employee, an insured spouse, or an insured dependent child.

### physician

An individual who is licensed to practice medicine or treat illness in the state in which treatment is received. This does not include the certificate holder, or a member of the certificate holder's immediate family.

## Terminal Condition

### What is a terminal condition?

A terminal condition is a condition caused by sickness or accident which directly results in a life expectancy of twelve months or less.

### What evidence do we require of the insured's terminal condition?

We must be given evidence that satisfies us that the insured's life expectancy, because of sickness or accident, is twelve months or less. That evidence must include certification by a physician.

### Do we have the right to obtain independent medical verification?

Yes. We retain the right to have the insured medically examined at our own expense to verify the insured's medical condition. We may do this as often as reasonably required while accelerated benefits are being considered or paid.

## Payment of Accelerated Benefit

### How do we calculate the accelerated benefit?

We will multiply the death benefit by the accelerated benefit factor to determine the accelerated benefit available.

### How do we calculate the accelerated benefit factor?

The accelerated benefit factor will be stated as a percentage of the insured's death benefit. When we calculate this factor, we will consider the insured's age and gender.

We will also base our calculation on certain assumptions, which we may change from time to time, including but not limited to assumptions about:

- (1) expected future premiums; and
- (2) the insured's life expectancy.

### What are the conditions for the payment of an accelerated benefit?

We will consider the payment of an accelerated benefit, subject to all of the following conditions:

- (1) coverage must be in force and all premiums due must be fully paid; and
- (2) application must be made in writing and in a form which is satisfactory to us. We will tell a certificate holder what form is required; and
- (3) the certificate holder must be the sole owner of the certificate; and

- (4) the insured's insurance must not have an irrevocable beneficiary.

### **Who may request an accelerated payment of the death benefit?**

A certificate holder may request an accelerated payment of the insurance on his or her life or on the life of a spouse/domestic partner or dependent child insured under his or her certificate.

### **Is the request for an accelerated benefit voluntary?**

Yes. An accelerated benefit will be made available on a voluntary basis only. An accelerated benefit under this rider is not intended to cause an involuntary reduction of the death benefit ultimately payable to the named beneficiary. Therefore, payment of the death benefit cannot be accelerated under this rider if the insured:

- (1) is required by law to use this option to meet the claims of creditors, whether in bankruptcy or otherwise; or
- (2) is required by a government agency to use this option in order to apply for, obtain, or keep a government benefit or entitlement.

### **Is there a minimum or maximum death benefit eligible for an accelerated benefit?**

Yes. The minimum death benefit to be eligible for an accelerated benefit under this rider is \$10,000. The maximum death benefit to be eligible for an accelerated benefit is \$1,000,000.

### **Does a certificate holder have to take the entire accelerated benefit?**

No. The certificate holder may choose to receive a partial accelerated benefit. If he or she does so, the insured's remaining coverage will stay in force.

If a certificate holder elects to receive only a partial accelerated benefit amount available under this rider, the remaining death benefit under the certificate must be at least \$25,000.

The certificate holder may reapply for the payment of the remaining amount of insurance at any time. However, we may ask for further satisfactory evidence that the insured meets all requirements for the accelerated benefit.

### **What is the effect on an insured's coverage of the receipt of an accelerated benefit?**

If a certificate holder elects to accelerate the full amount of an insured's death benefit, the insured's coverage and all other benefits under the certificate and any certificate supplements which apply to that insured will end. If the insured is a certificate holder, any other individual insured under his or her certificate will be allowed to convert any such insurance to a policy of individual life insurance according to the conversion right section of the group policy to which this rider is attached.

If a partial accelerated benefit is chosen, coverage will remain in force and premiums will be reduced accordingly. The remaining amount of insurance under the certificate will be the full amount of insurance minus the amount of insurance that was accelerated.

### **How will we pay the accelerated benefit?**

We will pay the accelerated benefit in one lump sum or in any other mutually agreeable manner.

### **To whom will we pay accelerated benefits?**

All accelerated benefits will be paid to the certificate holder who requested the accelerated payment unless the certificate holder validly assigns them otherwise. If such certificate holder dies before all payments have been made, we will pay the remainder to the insured's beneficiary named under the certificate. Payment will be made in one lump sum which will be the present value of the payments that remain, using the interest rate we use to determine the payments.

## **Termination**

### **When does an insured's coverage under this rider terminate?**

An insured's coverage ends on the date the insured is no longer covered for life insurance under the group policy.

### **When does this rider terminate?**

This rider will terminate on the earlier of:

- (1) the date we receive a written request to cancel this rider; or
- (2) the date the group policy is terminated.

MINNESOTA LIFE

## General Information

This rider is issued in consideration of the required premium and amends the group policy to which it is attached. This rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein.

### What does this rider provide?

This rider provides accidental death and dismemberment coverage subject to all terms, conditions, and exclusions herein.

### Who is eligible for insurance under this rider?

An employee who is eligible under the provisions applicable to life insurance coverage under the group policy is eligible for insurance under this rider.

### When does insurance under this rider become effective?

Insurance becomes effective on the date that the employee becomes insured for life insurance under the group policy.

## Accidental Death and Dismemberment (AD&D) Benefit

### What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury as used in this rider means that the insured's death or dismemberment results, directly and independently of all other causes, from an accidental bodily injury which is unintended, unexpected, and unforeseen. The bodily injury must be evidenced by a visible contusion or wound, except in the case of accidental drowning. The bodily injury must be the sole cause of death or dismemberment.

The injury must occur while the insured's coverage under this rider is in force. The insured's death or dismemberment must occur within 365 days after the date of the injury

In no event will we pay the accidental death or dismemberment benefit where the insured's death or dismemberment is caused directly or indirectly by, results from, or where there is a contribution from, any of the following:

- (1) self-inflicted injury or self destruction, whether sane or insane; or
- (2) suicide or attempted suicide, whether sane or insane; or

- (3) the insured's participation in or attempt to commit a crime, assault, felony, or any illegal activity, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (4) bodily or mental infirmity, illness or disease; or  
the use of alcohol, drugs, medications, poisons, gases, fumes or other substances taken, absorbed, inhaled, ingested or injected, unless taken upon the advice of a licensed physician in the verifiable prescribed manner and dosage; or
- (5) motor vehicle collision or accident where the insured is the operator of the motor vehicle and this insured's blood alcohol level meets or exceeds the level at which intoxication is defined in the state where the collision or accident occurred, regardless of any legal proceedings, or the absence of any legal proceedings, thereto; or
- (6) infection, other than infection occurring simultaneously with, and as a direct result of, the accidental injury; or
- (7) medical or surgical treatment or diagnostic procedures or any resulting complications; or
- (8) travel in or descent from any aircraft, except as a fare-paying passenger on a regularly scheduled commercial flight on a licensed passenger aircraft; or
- (9) war or any act of war, whether declared or undeclared; or
- (10) service in the military of any nation.

### What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to the group policy. The percentage is determined by the type of loss as shown in the following table:

FOR LOSS OF	AMOUNT OF BENEFIT
Life.....	Full Amount of AD&D Insurance
Both Hands or Both Feet..	Full Amount of AD&D Insurance
Sight of Both Eyes .....	Full Amount of AD&D Insurance
Speech and Hearing.....	Full Amount of AD&D Insurance
One Hand and One Foot..	Full Amount of AD&D Insurance
One Foot and Sight of One Eye.....	Full Amount of AD&D Insurance
One Hand and Sight of One Eye.....	Full Amount of AD&D Insurance
Quadriplegia .....	Full Amount of AD&D Insurance
Paraplegia .....	75% of Amount of AD&D Insurance
Sight of One Eye .....	50% of Amount of AD&D Insurance
Speech or Hearing.....	50% of Amount of AD&D Insurance
One Hand or One Foot.....	50% of Amount of AD&D Insurance
Hemiplegia.....	50% of Amount of AD&D Insurance
Thumb and Index	
Finger of One Hand....	25% of Amount of AD&D Insurance

Loss of hands or feet means complete severance at or above the wrist or ankle joints.

Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb or finger means complete severance at or above the metacarpophalangeal joints (the joints closest to the palm of the hand).

Quadriplegia means total and permanent paralysis of both upper limbs (from the shoulder down including total paralysis of both hands) and both lower limbs (from the waist down including total paralysis of both feet).

Paraplegia means total and permanent paralysis of both lower limbs (from the waist down including total paralysis of both feet). Hemiplegia means total and permanent paralysis of both the upper limb (from the shoulder down including total paralysis of the hand) and lower limb (from the waist down including total paralysis of the foot) on one side of the body.

A benefit is not payable for both loss of one hand and the loss of thumb and index finger of one hand for injury to the same hand as a result of any one accident. Under no circumstance will more than one payment be made for the loss or paralysis of the same limb, eye, finger, thumb, hand, foot, sight, speech, or hearing if one payment has already been made for that loss.

Benefits may be paid for more than one accidental loss but the total amount of AD&D insurance payable under this rider for all of an insured's losses due to any one accident, not including any amount paid according to the terms of the Additional Benefits section of this rider, will never exceed the full amount of AD&D insurance shown on the specifications page attached to the group policy.

#### **When will the accidental death and dismemberment benefit be payable?**

We will pay the AD&D benefit upon receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of an accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of the insured's death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually or the minimum required by state law, whichever is greater.

#### **To whom do we pay the benefit?**

A certificate holder's accidental death benefit will be paid to the person or persons entitled to receive a death benefit under the terms of the group policy. The benefit for other losses sustained by a certificate holder will be paid to the certificate holder, if living, otherwise to his or her estate.

## **Additional Benefits**

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the AD&D benefits. Additional benefits are paid in addition to any AD&D benefits described in the Accidental Death and Dismemberment section, unless otherwise stated.

All provisions of this rider, including but not limited to the exclusions listed under the "What does accidental death or dismemberment by accidental injury mean?" section, shall apply to these additional benefits.

### **Child Care Benefit**

#### **What is the child care benefit?**

If an insured employee dies as a result of a covered accident and he or she is survived by his or her insured dependent spouse and one or more insured dependent children under age 14, we will pay additional benefits to reimburse the surviving spouse for child care expenses they incur for the insured employee's dependent children while under age 14. The qualifying employee's dependent children must also be dependent on the surviving spouse for a benefit to be considered.

The benefit for each child per year will be the lesser of:

- (1) 25% of the insured employee's amount of AD&D insurance; or
- (2) \$10,000; or
- (3) incurred child care expenses.

Child care expenses are those expenses which are for a service or supply furnished by a licensed child care provider or facility for a dependent child's care. No payment will be made for expenses incurred more than four years after the date of the insured employee's death or for expenses incurred for dependent children over age 14. Proof of incurred child care expenses by the surviving spouse shall be required before any benefit payment is made. The child care benefit will be paid to the surviving spouse.

### **Dependent Child Education Benefit**

#### **What is the dependent child education benefit?**

We will pay an education benefit on behalf of the insured's dependent children if an insured employee dies as a result of a covered accident and is survived by one or more insured dependent children, provided that:

- (1) at the time of the insured employee's death, the dependent child is enrolled as a full-time student at an accredited post-secondary educational institution (however, no benefit will be payable for the current school year); or
- (2) the dependent child enrolls on a full-time basis in an accredited post-secondary educational institution within one year of the employee's death.

The benefit payable will be the lesser of:

- (1) the actual tuition charged, exclusive of room and board; or
- (2) 25% of the insured employee's amount of insurance; or
- (3) \$5,000.

The benefit will be payable at the beginning of each school year for a maximum of four consecutive years,

but not beyond the date the child attains age 25. The benefit will be paid to the insured dependent child if he or she is of legal age. If the insured dependent child is not of legal age the benefit will be paid to the person who provides proof they have paid or will pay the tuition bill for that school year. Proof of enrollment and tuition costs are required for each school year.

### **Disappearance Benefit**

#### **What is the disappearance benefit?**

If an insured's body has not been found after one year from the date the conveyance in which he or she was traveling disappeared, exploded, sank, became stranded, made a forced landing or was wrecked, it shall be presumed, subject to all other terms of the policy and proof satisfactory to us that the accident occurred and the insured was a passenger on the conveyance, that the insured has died as a result of an accidental injury which was unintended, unexpected and unforeseen. Such death shall be considered a covered loss under this rider.

### **Exposure Benefit**

#### **What is the exposure benefit?**

A loss due to exposure to the elements will be covered as if it were due to injury, provided such loss results from unavoidable exposure to the elements by reason of a covered accident.

### **Felonious Assault Benefit**

#### **What is the felonious assault benefit?**

If an insured employee dies or suffers a covered dismemberment as a result of a covered accident caused by a felonious assault, we will pay an additional benefit equal to the lesser of \$25,000 or 50% of the insured employee's amount of AD&D insurance.

A felonious assault is a physical assault by another person resulting in bodily harm to the insured employee. The assault must take place while the insured employee is performing his or her customary duties at the employer's normal place of business or at other places the employer's business requires the insured employee to travel. The assault must involve the use of force or violence with intent to cause harm and must be either a felony or a misdemeanor.

No benefit is payable if the assault is a result of a moving violation or is committed by an immediate family member or a coworker. Immediate family members are the insured employee's spouse, children, parents, grandparents, grandchildren, brothers and sisters, and the spouses of such individuals.

### **Public Transportation Benefit**

#### **What is the public transportation benefit?**

If an insured dies as a result of a covered accident which occurs while the insured is a fare-paying passenger on a public transportation vehicle, we will pay an additional benefit equal to the lesser of:

- (1) 100% of the insured's full amount of AD&D insurance; or
- (2) \$200,000.

Public transportation vehicle means any air, land or water vehicle operated under a license for the transportation of fare paying passengers.

### **Repatriation Benefit**

#### **What is the repatriation benefit?**

If, as a result of a covered accident, an insured dies at least 75 miles from his or her principal residence, an additional accidental death benefit shall be paid for the preparation and transportation of the body to a mortuary. The additional benefit shall be the lesser of the actual cost of such preparation and transportation, 10% of the insured's full amount of AD&D insurance or \$5,000. The benefit will be paid to the person who has or who will incur such cost, as evidenced to the satisfaction of us. This may or may not be the beneficiary for the rest of the accidental death proceeds. We may at our sole discretion pay benefits directly to the facility handling the preparation and/or transportation. All determinations and payments by us will be final and fully release and discharge us from any further liability under this repatriation benefit.

### **Seatbelt Benefit**

#### **What is the seatbelt benefit?**

If an insured dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional AD&D benefit equal to the lesser of:

- (1) \$10,000; or
- (2) 100% of the insured's amount of AD&D insurance.

In order to be eligible for this benefit, the following must apply:

- (1) the private passenger car was equipped with seatbelts; and

(2) a seatbelt was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and  
(3) at the time of the accident, the driver of the private passenger car was a licensed driver and was not intoxicated, impaired, or under the influence of alcohol or drugs.

Seatbelt means a properly installed seatbelt (or child restraint if the insured is a child), lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration or any successor governmental agency. A private passenger car means a validly registered four-wheeled private passenger car or policyholder-owned car, jeep, pickup truck or van, including a sport utility vehicle (SUV), that is not licensed commercially or being used for racing, or acrobatic or stunt driving.

### **Spouse Education Benefit**

#### **What is the spouse education benefit?**

We will pay an education benefit on behalf of the employee's spouse if an insured employee dies as a result of a covered accident and is survived by his or her insured spouse, provided that the spouse enrolls in a program of higher education within 12 months after the employee's death.

The benefit payable will be the least of:

- (1) the actual tuition charged for all such education; or
- (2) 25% of the insured employee's amount of AD&D insurance; or
- (3) \$10,000.

Only expenses occurring within 36 months after the date of the employee's death will be eligible for reimbursement.

The rider is subject to every term, condition, exclusion, limitation, and provision of the group policy unless otherwise expressly provided for herein. If both parents of a child qualify as eligible employees under the group policy, the child shall be considered a dependent of only one parent for purposes of this rider. If any child qualifies as an eligible employee under the group policy, he or she is not eligible to be insured as a dependent child.

Any dependent child who, subsequent to the effective date of the insured employee's child life insurance, meets the requirements of this provision will become insured on the date he or she so qualifies.

- (4) we receive the required premium.

If a dependent is hospitalized or confined because of illness or disease on the date his or her insurance would otherwise become effective, his or her effective date shall be delayed until he or she is released from such hospitalization or confinement. This does not apply to a newborn child. However, in no event will insurance on a dependent be effective before the insured employee's insurance under the group policy is effective.

This rider provides for continuation of group life insurance for insureds who no longer meet the eligibility requirements of the group policy except as provided for herein.

To continue coverage under the provisions of this rider, an eligible insured must make a written request and make the first premium contribution within 31 days after insurance provided by the group policy would otherwise terminate. Evidence of insurability will not be required. Coverage provided by this rider will then be deemed effective retroactive to the beginning of the 31-day period. The minimum amount of insurance that can be continued on the life of an insured under this rider is \$10,000 for an employee and \$1,000 for each of his or her insured dependents.

### What is the maximum amount of insurance that can be continued under this rider?

The maximum amount of insurance that can be continued under this rider is the amount of insurance that was in force on the insured's portability date, but not more than \$500,000 for an employee or \$150,000 for a spouse. However, for an insured who is age 65 or older on his or her portability date, the amount will not be more than 65% of the amount in force on the insured's portability date, to a maximum of \$325,000 for an employee or \$97,500 for a spouse.

### Will the amount of insurance continued under this rider change?

Yes. On the first day of the month following the date an insured attains age 65, the amount of insurance on his or her life continued under this rider will reduce to 65% of the amount of insurance in force on the day prior to his or her attainment of age 65. Insurance terminates at age 70.

### Can a certificate holder request a change in his or her amount of insurance continued under this rider?

Yes. The certificate holder may elect to reduce the amount of insurance provided under his or her certificate. The remaining amount of insurance on the life of a certificate holder must be at least \$10,000.

The amount of insurance continued under this rider will never increase.

**How will premium contributions be paid?**

Premium contributions will be paid directly to us on a monthly, quarterly, semi-annual, or annual basis and will be subject to an administrative charge per billing period. We may adjust the amount of the charge, but not more often than once per year.

**Can the premium rate change?**

Yes. The premium rate may increase on the portability date. The premium rate may also increase in the future but will not change more often than once per year.

**Can insurance continued under this rider be converted to a policy of individual insurance?**

Yes. At any time after insurance has been continued under the provisions of this rider, it may be converted to a policy of individual insurance with Minnesota Life. All other conditions and provisions of the conversion right section of the group policy to which this rider is attached will apply.

**What happens if a certificate holder again becomes eligible under the group policy?**

If a certificate holder who is continuing coverage under the provisions of this rider again meets the eligibility requirements of the group policy, not including the terms of this rider, he or she shall no longer be considered to have portability status. Insurance for that certificate holder may be provided only under the terms of the group policy, not including this rider, unless and until he or she no longer meets the eligibility requirements of the group policy and again returns to portability status as provided for herein.

**What happens to insurance provided under this rider when the group policy terminates?**

Anything in the group policy notwithstanding, termination of the group policy by the policyholder or us will not terminate life insurance then in force for any person under the terms of this rider. The group policy will be deemed to remain in force solely for the purpose of continuing such insurance, but without further obligation of the policyholder.

Any insurance continued under the terms of this rider will remain in force until terminated by the provisions of the section entitled "When will insurance continued under this rider terminate?".

No individual may elect coverage under this rider on or after the date of termination of the group policy.

**When will insurance continued under this rider terminate?**

Insurance continued under this rider will terminate on the earliest of the following:

- (1) the insured's 70th birthday; or
- (2) the date the certificate holder again meets the eligibility requirements of the group policy, not including the terms of this rider; or
- (3) in the case of a dependent child or a spouse who is insured by a rider to the certificate holder's coverage, the date the certificate holder's coverage is no longer being continued under this rider, or the date the certificate holder's spouse or child ceases to be eligible as defined under the terms of the group policy; or
- (4) 31 days after the due date of any premium contribution which is not made.

### **NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

**The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.**

**Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.**

**Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.**

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

## **COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

## **EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in that state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

## **LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under §§401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual; for covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
