

# FALL 2021 Research Agreement

## Requirements

1. Within the first week of class the student is required to write a short proposal on their research goals for the upcoming semester. **September 3, 2021**
2. A mid-term report, 2-3 slides/pages\*\*, will be required on the progress the student has made in their research. **October 15, 2021**
3. The last week of the semester before the final exams, the student is required to present their research in front of the students and faculty of the Materials Science Graduate Program. The presentation should be 10 minutes long including 2 minutes of discussion. (8 minutes of presentation + 2 mins for questions). **TBA, week of December 6, 2021**
4. Within a week after the Research Presentation, the student will be required to submit a final report, 8-12 slides/pages that supports their research presentation. **December 17, 2021**

**\*\*If you are turning in slides, there needs to be written explanation about each of your slides, in order to be able to interpret and understand them.**

Please mark the statement/statements below that pertains to you.
