AAS OTAT Curricular Actions SUBJECT:

Attached is the proposal to establish two new courses within the Associate of Applied Science in Occupational Therapy Assistant Technology. Discussions with the OTAT program director and faculty at Ashtabula and East Liverpool determined that it would be useful for the program to have the ability to offer special topics and individual investigation courses as appropriate. Accordingly, we have created these courses and are forwarding them to you, and ask that the School of Speech Pathology and Audiology review and approval them.

If you or the members of the curriculum committee have any questions, please do not hesitate to contact me.
