Lynne Rowan, Director, School of Speech Pathology and Audiology TO:

Mel Anthony May, Assistant Dean FROM:

DATE: March 18, 2008

SUBJECT: AAS PTST Curricular Actions

Attached is the proposal to establish two new courses within the Associate of Applied Science in Physical Therapist Assistant Technology. While working on the Athletic Trainer to PTST transition program, it became apparent that it would be useful to have both a special topics and an individual investigation course in the major. Accordingly, we have created these courses and are forwarding them to you and ask that the School of Speech Pathology and Audiology review and approval them.

If you or the members of the curriculum committee have any questions, please do not hesitate to contact me.
