Articulation Agreement Between
Lakeland Community College
(AAB Degree in Business Management, Parks and Recreation Management)
and
Kent State University
(BS Degree in Recreation, Park and Tourism Management)

THIS AGREEMENT (the “Agreement”) is entered into as of this [DAY MONTH YEAR] (the “Effective Date”) by and between **Lakeland Community College** (“Lakeland”), with an address at 7700 Clocktower Drive, Kirtland, Ohio 44094; and **Kent State University** (“Kent State”), with an address at P.O. Box 5190, Kent Ohio 44242. Lakeland is an institution of higher education established pursuant to Section 3354 of the Ohio Revised Code, and Kent State is an institution of higher education and a member of the Ohio University System.

BACKGROUND

Lakeland and Kent State have developed this articulation agreement for students who choose to complete the Associate of Applied Business degree in Business Management with a concentration in Parks and Recreation Management at Lakeland and transfer to Kent State to earn the Bachelor of Science degree in Recreation, Park and Tourism Management.

The purpose of the agreement is to provide a smooth curriculum transition for students, allowing them to transfer from Lakeland to Kent State without loss of credits or duplication of coursework. Kent State and Lakeland enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

ACCORDINGLY, in consideration of the foregoing, of the other promises and mutual covenants contained in this Agreement, and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Lakeland and Kent State agree that any student who has completed an Associate of Applied Business degree in Business Management (Parks and Recreation Management concentration) at Lakeland may transfer the specific course credits indicated on the curriculum guide toward the Bachelor of Science degree in Recreation, Park and Tourism Management at Kent State. Only non-remedial courses with a grade of “D” or better will be accepted for transfer to Kent State.
2. Lakeland students would complete a minimum 69 credit hours at Lakeland.
3. Students must meet all admission requirements at the time of application for admission to Kent State. When applying to Kent State, an official transcript from Lakeland must be sent to Kent State’s Office of Admission. Students must request this transcript from the Lakeland registrar. In addition, transcripts from all previously attended colleges must be submitted to Kent State.

4. Academic advising of Lakeland/Kent State transfer students during their periods of enrollment at Lakeland will be made available at both Lakeland and Kent State. To facilitate the evaluation of transcripts, students should bring an unofficial copy of their Lakeland transcripts to the advising sessions.
5. Lakeland and Kent State will each assign a representative to serve as a liaison and assure continued communication between the two institutions on matters related to this Agreement. Lakeland and Kent State representatives will formally review this Agreement on an annual basis.
6. Kent State will hold a Lakeland/Kent State transfer orientation prior to the beginning of the fall semester of each year. The program will assist students in understanding program requirements and services available to them at both institutions.

Marketing will be coordinated by the Articulation Officer/Transfer Center at Kent State and the Office of Public Relations at Lakeland.

Lakeland/Kent State transfer students who enroll at Kent State on a full-time basis will be eligible for scholarship assistance.

7. Lakeland students must fulfill Kent State's residence requirement to earn a bachelor's degree. The requirement for the degree is completion of a minimum thirty (30) credit hours of coursework at Kent State University, including minimum nine (9) credit hours of upper-division credit in the major. Credit earned by means of transfer courses does not count toward residence.
8. Neither party shall discriminate against students or applicants on the basis of race, color, religion, gender, sexual orientation, age, national origin or ancestry or disability.

Termination

1. The term of this agreement shall be for three academic years, beginning spring semester 2011 and expiring spring semester 2014.
2. Amendments to this agreement must be in writing and approved by the President or President's designee of each institution.
3. Either party may terminate this agreement for cause by giving written notice to the institution's president at least 90 days prior to the end of the academic year.
4. This agreement can be terminated at any time by the mutual written agreement of the institutions' presidents.

Upon termination of this Agreement for any reason, Lakeland/Kent State transfer students previously accepted by or admitted to Kent State shall continue to receive benefits contemplated by this Agreement.

Miscellaneous

1. Severability. If any Section or provision of this Agreement be held illegal, unenforceable or in conflict with any law by a court of competent jurisdiction, such Section or provision of this Agreement shall be deemed severed from this Agreement and the validity of the remainder of this Agreement shall be not be affected thereby.
2. Notices. All notices or other written communications relating to termination, expiration, or legal matters required or permitted under this Agreement shall be given in writing by courier or reputable overnight delivery services, or by certified mail, return receipt requested to either party at its address first set forth above with, in the case of Lakeland, an additional copy addressed to "General Counsel."
3. Waivers and Amendments. The waiver by either party of any provision of this Agreement on any occasion and upon any particular circumstance shall not operate as a waiver of such provision of this Agreement on any other occasion or upon any other circumstance. This Agreement may be modified or amended only via a writing signed by both parties.
4. Complete Agreement; Integration. This Agreement contains the complete understanding of the parties with respect to the subject matter hereof and supersedes all other agreements, understandings, communications and promises of any kind, whether oral or written, between the parties with respect to such subject matter.
5. Counterparts. This Agreement may be executed in multiple counterparts, all of which shall be originals and which together shall constitute a single agreement.
6. No Third Party Beneficiaries. This Agreement does not and is not intended to confer any rights or remedies upon any party other than Lakeland and Kent State.
7. Facsimile Signatures. For the purpose of interpreting this Agreement, facsimile signatures shall be considered equivalent to original signatures.
8. Neutral Interpretation. This contract has been prepared for signature only after each party has had sufficient opportunities to negotiate changes. Each party has been represented by its own lawyer, has had sufficient opportunities to consult with that lawyer, and has done so. The parties agree that this contract should be understood and interpreted as a document fully negotiated and accepted by the parties, and should not be construed against the drafting party.
