Test Scantron Survey

The existing Scantron (Bubblesheet grading) system is nearing end of life. The University Council on Technology (UCT) is discussing if the system needs to be replaced and if it is replaced what type of system would people prefer. This survey is being used to gather information from existing Scantron (Bubblesheet grading) users to assist the UCT in it's deliberations.

Your kent.edu username will be recorded when you submit this form.

Are you currently using the Scantron (Bubblesheet Grading) System?

☐ Yes

☐ No

Have you ever used the Scantron (Bubblesheet grading) System?

☐ Yes

☐ No

If the Scantron (Bubblesheet Grading) system were no longer available you would

If the Scantron (Bubblesheet Grading) System were replaced you would prefer:

☐ The current centralized system (requires less knowledge to use)

☐ A distributed system with forms created and scanned directly by instructors at local printers / scanners (required more knowledge to use)

☐ Option 3

☐ Send me a copy of my responses.
