In addition, there are four instances of **enquire** and one instance of **einquire**:

NN-TS-1, .p71

We **enquired** in the North-East trade and on secrete evenings
whether he had to stand on his head to put things right somewhat.

RESTR22, .p15

op"} And do you make them pay tribute for their land?" **enquired** Hassim with eagerness.

SUSTIR31, .p233

Presently laying down his knife and fork he **enquired**
what Cosmo had been doing that morning.

SMFTSR-2, .p54

But I remembered

the episode, and at this juncture, pushed for something non-committal to say, I **enquired** with polite surprise.

POMTSU-1, .p2

Old Deacon was civil to

me of course but he did not even **enquire** how I was getting on with my silk-plants.
