coming **forward** to meet them like a

tombstone crusader, heavy moustache

shake hands ceremoniously.

you" he cried in
a vibrating subdued voice and
advancing one step nearer the
bed, {op"} That what it needs is
not a lot of haunting
phantoms that I could walk
through{--}but a man!

Haldin threw his arms
forward as if to
keep him off in horror
{op"} I understand it all now"
he exclaimed with a sort of awe-
.p201
struck dismay.

UWE-MS12, .p204

Razumov started **forward**
but the sight of Haldin's
raised hand checked him
before he could get away from
the table.

the landing he leaned far over
the banister.

UWE-MS21, .p365

But what
can be this era of disembodied
concord you are looking **forward** to.

UWE-MS22, .p454

He bent
his enormous body **forward**
a little and raised a hand
like one who demonstrates and expounds.

UWE-MS22, .p463

He leaned
forward, motionless; his powerful voice
came from the very bottom
of his chest, almost from his
stomach, no longer
unctuous, but with a note of
feeling in its deep resonance
a something indescribable in
the tone bringing
consternation to the breast
.p464
of the average civilised man.

UWE-MS23, .p499

{op"}Do you know who he is?
Miss Haldin, coming
forward, put this question to
me in English.

UWE-MS23, .p570

I looked **forward** to
the time{--}Oh! with such hope and
impatience.

UWE-MS24, .p649

I suppose you
understand me? I mean{--}people who
have no where to go
out of their black misery and
nothing to look **forward** to.

UWE-MS24, .p683

The object of my digression from
the straight course of Miss
Haldin's relation (in
my own words) of her visit to

.p683
the Chateau Borel was to
bring **forward** that statement
that opinion upon Mme de S{---}
of my friend the professor's
wife.

UWE-MS24, .p683
I wanted to bring
it **forward** simply to make
what I have to say presently
of Mr Razumov a little more
credible{--}for this is a Russian
story for western ears which as I
have observed already are
not attuned to certain tones
of cynicism and cruelty of
moral negation{--}and even
of moral distress{--}already
silenced at our end of Europe.

UWE-MS24, .p747
Afterwards he glanced backwards
and **forwards** at us both,
while the faint commencement of a forced smile
followed by the suspicion of a
slight frown vanished one after
another: I detected
them, though neither could
have been noticed by a
person less intensely bent
.p748
upon divining him, than
myself.

UWE-MS25, .p759
Her
.p759
walk was not that hybrid
and uncertain gliding some
women affect but a frank
strong healthy movement
forward.

UWE-MS31, .p813
Suddenly he ran
forward and boarded one
.p814
which after overtaking him
had pulled up at
a stopping place.

UWE-MS32, invalid format

UWE-MS34, .p1038
The first,
great white hairless face, double chin,
prominent

stomach, which he seemed
to carry **forward** consciously
within a strongly distended overcoat, only
nodded and
averted his eyes peevishly; his
companion lean, broad flushed cheek-
bones a military red
moustache below a sharp
salient nose approached at
once Sophia Semenovna
greeting her warmly.

UWE-MS34, .p1047
Razumov whose
hilarity had died out
all at once made a step
forward.

UWE-MS34, .p1085
There was
no way of bringing it **forward.**
He regretted not having composed
a perfect story for use abroad
in which his fatal connection
with the house might have been
owned up to.

UWE-MS34, .p1100
He sighed, folded his arms,
his chin dropped on his
breast{--}and it was a
long time before he started
forward, from that pose with the idea
that he had made up his mind to do something
that day.

UWE-MS41, .p1138
Establish
a false complicity and destroy
what chance I have for nothing{--}what folly!"
he exclaimed mentally beginning
to move **forward** with slow
irresolute footsteps.

UWE-MS41, .p1156
That
envelope contained another
superscribed in Prince K{---}'s hand
with the request {op"}Please **forward**
under cover at once" in a corner.

UWE-MS42, .p1223
But on the
sofa, near Sofia Semenovna,
a man with a goatee beard
leaned **forward** with his hands
.p1224
on his knees staring frankly; and

in a remote corner a bulky shape
and a broad pale face could be made
out, uncouth and as if
insecure on the seat on which it
rested.

UWE-MS43, .p1252

It was a
comparatively big room and in contrast with
strongly lighted anteroom its length
.p1252
was lost in semi transparent gloom backed
by heavy shadows; and on that
ground I saw the fine
motionless profile of Mrs Haldin's bloodless
face inclined slightly **forward**
with a pale hand resting on
the arm of the chair.

UWE-MS43, .p1255

He sat there scribbling
by the light of a solitary candle till
it occurred to him that having
heard the explanation of Haldin's arrest
as put **forward** by Sophia Antonovna
it behoved him to tell these
ladies himself; because as they were
certain to hear the tale through
some other channel his abstention
.p1256
would look strange not only to the
Mother and sister of Haldin but to
other people also.

UWE-MS43, .p1278

The period of
reserve was over; he was coming
forward in his own way.

UWE-MS43, .p1300

{---}{op"}There is no more to tell? He made
a movement **forward** and she actually
put her hand on his shoulder to
push him away but her strength
failed her and he kept his
ground though trembling in every
limb.

UWE-MS43, .p1300

I ran
forward snatching up the chair
and was in time to catch hold of Miss
Haldin and lower her down.

UWETSR12, .p41

It was the thought of Haldin locked up in his rooms and the desperate
.p41

Servants came **forward**.

Razumov started **forward** but the sight of Haldin's raised hand checked him before he could get away from the table.

UWETSR12, .p98

Razumov ran **forward** unsteadily, with parted, voiceless lips.

UWETSR13, .p109

Looking **forward** was happiness{--}that's all{--}nothing more.

UWETSR13, .p109

To look **forward** to the gratification of some desire, to the gratification of some passion, love, ambition, hate{--}hate too indubitably.

UWETSR13, .p109

Absence of fear{--}
looking **forward**.

UWETSR13, .p111

No doubt he was looking **forward** to the consummation of his martyrdom.

UWETSR13, .p112

What sort of future could he look **forward** to?

UWETSR13, .p136

Razumov stepped **forward** menacingly; the vision vanished{--}and turning short on his heel he walked out of his room with infinite disdain.

UWETSR13, .p145

Yet he is certain that he never lost the consciousness of himself on the sofa, leaning **forward** with his hands between his knees and turning his cap round and round in his fingers.

UWETSR13, .p151

Four secret

interrogatories{--}and even during the last, when your personality was put **forward** . . .

UWETSR13, .p151

Four secret interrogatories{--}and even during the last, when your personality was put **forward** . .

UWETSR13, .p151

{op"}My personality put **forward**" repeated Razumov, raising his head brusquely.

UWETSR13, .p157

Councillor Mikulin's arms were stretched out on the table before him and his body leaned **forward** a little with an effort of his dim gaze.

UWETSR21, .p180

But what can be this era of disembodied concord you are looking **forward** to.

UWETSR23, .p235

op"}Do you know who he is?"

Miss Haldin, coming **forward**, put this question to me in English.

UWETSR23, .p265

I looked **forward** to the time.

UWETSR24, .p301

I suppose you understand what I mean? I mean the people who have nowhere to go and nothing to look **forward** to in this life.

UWETSR24, .p301

Do you understand how frightful that is{--}nothing to look **forward** to! Sometimes I think that it is only in Russia that there are such people and such a depth of misery can be reached.

UWETSR24, .p321

The object of my digression from the straight course of Miss Haldin's relation (in my own words) of her visit to the Chateau Borel was to bring **forward** that statement of my friend the professor's wife.
