## **Announces Opportunities for Student Research and Creative Activity during the 2017-2018 Academic Year**

### **Student Colloquium on Research, Scholarship, and Creative Activity**

**Purposes and Goals:** The purposes of the Kent State University Tuscarawas Student Colloquium on Research, Scholarship, and Creative Activity (“Student Colloquium”) are to:

- introduce students to the skills and methodologies required for research (e.g., analytical, empirical, theoretical, basic, applied) and creative activities (e.g., graphic or costume design, performance, short stories, poetry) in a given academic discipline;
- engage motivated students in research and creative activities under the guidance of an expert (faculty mentor);
- provide students with the opportunity to expand their academic involvement and experience **beyond the classroom**;
- strengthen collaboration among faculty and students by providing resources for projects of mutual interest;
- facilitate students’ intellectual and/or professional growth.

**Eligibility and Scope:** All current students at Kent State University Tuscarawas in good standing are eligible. Research projects will commence upon Student Affairs Committee approval, announced no later than Friday, December 1, 2017, and will conclude with formal presentations at a public colloquium to be held on the Tuscarawas Campus: **Monday, April 16, 2018, at 7:00 PM in the Science and Technology Center, room 126.**

**Process and Procedures:**

- Students interested in participating in the 2017-2018 Student Colloquium should collaborate with a Kent State University Tuscarawas faculty mentor to prepare a project proposal. *Projects which include more than one student must include proposals from each student indicating their individual contributions* (requirements below).
- Proposals must be submitted electronically, in .pdf or MS Word format, to the Committee Chair, Dr. Ashley Galati at [argalati@kent.edu](mailto:argalati@kent.edu) by **noon on Friday, November 17, 2017. Proposals must include all of the information requested on the attached application form.** Incomplete proposals may be rejected.
- Students and faculty mentors will be notified of the status of their proposals by **December 1, 2017.**
- Projects involving the use of human or animal subjects requires ethics training (CITI) and approval of the Institutional Review Board (IRB). Please be sure to complete these requirements as early as possible, as they are both time-intensive.
- The faculty mentor(s) of students invited to participate in the Student Colloquium will submit a brief progress summary or outline to the Committee by **March 2, 2018.**

- The Student Colloquium will provide funds for the materials required to carry out the research or creative activity. Funding is limited to \$800 per project; this maximum amount is not guaranteed but contingent on the number of funding requests received.
- Students will create a professional poster related to their final project, with input/direction from their faculty mentor, for display at the Student Colloquium and on the Kent State University Tuscarawas campus. Templates will be available from the Committee for student use, and printing is available free of charge in the Maker's Space found in the Academic Learning Commons.
- Students must submit a final project to the Committee and their faculty mentor by **May 4, 2018**. The final project should reflect your discipline's and specific project's outcomes, and may be in any of the following formats: a formal paper (using a standard professional format such as APA or MLA), a final product produced during the creative activity, or a set of PowerPoint slides which accompanied the oral presentation.
- Students will present their projects in the form of an oral presentation at the public Student Colloquium to be held at the Kent State University Tuscarawas campus on Monday, April 16, 2018, at 7:00 PM.
