127 TOTAL CREDIT HOURS TO COMPLETE BS FROM KSU, INCLUDING TRANSFER COURSEWORK

- * MET 1601 Technical Statics equates to MERT 22005 and MET 2200 Strength of Materials equates to MERT 22007. MERT 22005 and MERT 22007 is a substitution for ARCH 20301 Introduction to Building Structures.
- ** Spring only course.
- *** All upper division electives must be taken in CMGT/CAED. There are three concentrations for the BS in Construction Management: Civil, Safety and MEP with each consisting of 4-5 three hour courses which can be completed for upper division elective hours.
- **** Minimum one course must be selected from the Humanities in Arts and Sciences area, and minimum one course must be selected from the Fine Arts area.
- ^ If taken prior to fall 2019, Kent State University will also accept credit for ACCT 1310 Financial Accounting to fulfill ACCT 23020 Introduction to Financial Accounting.

It is recommended that students intending to pursue the Bachelor of Science in Construction Management through Kent State University consult with academic advisors at both Cuyahoga Community College and Kent State University.

For the Bachelor of Science in Construction Management at Kent State University, students can visit the <u>website www.kent.edu/caed</u> or contact the College of Architecture and Environmental Design, 132 S. Lincoln, Kent, Ohio 44242-0001. Phone: 330-672-0382

This roadmap is a recommended semester-by-semester plan of study for the articulation from Cuyahoga Community College to Kent State.

Graduation Requirements Summary

Minimum	Minimum Minimum	Clobal / Damastia		Evperiential	Minimum		
Total Hours	Upper-Division Hours	Kent Core Hours	Global / Domestic Diversity Course	Writing-Intensive	Experiential Learning	Major GPA	Overall GPA
127	39	36	Kent Core or General Electives	CMGT 33092	CMGT 33092	2.250	2.000

Kent Core

Students must complete a minimum 36 credit hours of the Kent Core. Certain courses required in programs and in student's major field may also fulfill the Kent Core. Honors equivalents shall satisfy the Kent Core. None of the courses on the Kent Core list may be taken with a pass/fail grade. Visit www.kent.edu/catalog/kent-core for course list.

Diversity Course Requirement

Students must complete a two-course diversity requirement, consisting of one with a domestic (U.S.) focus and one with a global focus. One course must come from the Kent Core. The second course may be taken as a second Kent Core, within a major or minor, or as a general elective; or, with dean's approval, by completing one semester of study in another country. Visit www.kent.edu/catalog/diversity for course list.

Writing-Intensive Course Requirement

Students must complete a one-course writing-intensive requirement in their major and earn minimum C (2.000) grade. Visit www.kent.edu/catalog/wic for course list.

Experiential Learning Requirement (ELR)

To provide students with direct engagement in learning experiences that promote academic relevance, meaning and an understanding of real-world issues, students must complete this requirement at Kent State, either as a for-credit course or as a non-credit, non-course experience approved by the appropriate faculty member. Visit www.kent.edu/catalog/elr for course list.

Upper-Division Requirement

Students must complete a minimum 39 upper-division (numbered 30000 to 49999) credit hours of coursework. Programs in the College of Arts and Sciences require a minimum of 42 hours of upper-division coursework.
