

## List of Undergraduate Level Modules Open to Exchange Students AY 2022-2023

**S1:** Modules taught during the 1<sup>st</sup> semester only (September to December)

**S2:** Modules taught during the 2<sup>nd</sup> semester only (January to April)

**S1 + S2:** Year-long modules that can be chosen in S1, S2 or both

**S1 or S2:** Modules that can be chosen either in S1 or S2 but not both

**For translation and interpretation classes:**

**SL:** Source language (the language of the original text)

**TL:** Target language (the language of the translation)

*Exchange students should be aware that the modules offered in this catalogue can be modified in the event of extenuating circumstances. Enrolment in modules is subject to the availability of places.*

*It should be noted that there is no possibility for exchange students to compensate for any modules they have not validated (whether coursework based or exam based) unless the student in question is studying at ISIT for the whole academic year, in which case they can retake a non-validated S1 module in S2 (if offered in S2).*

<sup>(3)</sup> Exchange students should be aware that these modules are designed for students who are non-natives of the language of instruction

<sup>(4)</sup> When working from French into their mother tongue, exchange students will be placed in third year classes wherever possible. When working from their mother tongue into French, students will be placed in either first- or second-year classes wherever possible, depending on their declared level of French or the number of years they have been studying French.

It is recommended that exchange students do NOT choose specialised translation classes into French (even if the source language is their mother tongue) unless they have a level of French close or equivalent to C2.

Exchange students are strongly recommended to ensure that at least one of the languages in their translation language combination is their mother tongue.
