

# giving**VOICE**

**100% in love with her Gospel music  
in the AM & the PM.**

**100% present from the soul.**

**When I am stressed and depressed  
I just put on some type of gospel song  
that I really like and my spirit is back  
I'm in that happy mood again  
and peace is back.**

—**Betty Jackson,**  
Edgewood Village, Akron, Ohio
