LORAIN COUNTY COMMUNITY COLLEGE
GENERAL EDUCATION/KENT CORE TRANSFER GUIDE

As part of the requirements for any bachelor's degree and the Associate of Arts and Associate of Science degrees, all students must complete a minimum 36-37 credit hours of the Kent Core distributed as indicated within the specific categories. Learn more about the Kent Core.

Kent Core (36-37 Credit Hours)		
Category	Credits	Attribute
Composition	6	KCP1 and KCP2
Math and Critical Reasoning	3 Minimum	KMCR
Humanitities and Fine Arts	9	KHUM and KFA
Social Science	6	KSS
Basic Science	6-7	KBS and KLAB
Additional	6	KADL or any of the above

Colleges or degree programs may augment the university's minimum Kent Core, and they may specify for their students certain courses in fulfillment of the requirements. It is essential, therefore, that students consult that section of the catalog for their college and degree program. Learn more about your degree program requirements.

Courses that are equated to 1X000 or 2X000 are not directly equated to any courses at Kent State University; however, these courses can fulfill general elective credit that may be required. Once a student has been accepted to Kent State University, they may set up an advising appointment in their college office and supply their academic advisor with a syllabus for faculty review. If the course is approved as an equivalent, an adjustment will be made to the student's degree audit.

It is recommended that students intending to pursue a degree through Kent State University consult with academic advisors at both Lorain County Community College and Kent State University. Connect with a transfer advisor.

English Composition / Oral Communication

*Combined, CHMY 271 + 272 are equivalent to CHEM 20481, 20482, 30475, + 30476.

Completion of the required number of credit hours above (excluding SDEV 101) represents 33 of the 36-40 credit hours in the associate of arts degree requirements. To complete the requirements, a student must take another three to seven credit hours from the above courses. LCCC students must complete a minimum of 60 credit hours to complete the associate of arts degree. Therefore, a student may earn the associate of arts degree by completing the above degree requirements of 36-40 credit hours, SDEV 101 for one credit hour, and additional elective hours selected from the above courses or any other courses to complete a minimum of 60 semester hours. Completion of these requirements includes the Ohio Transfer 36. Choices within these ranges will require careful academic planning and advice. Students should seek assistance from an LCCC advisor before proceeding.

Both LCCC and Kent State curriculum is subject to change. Students are encouraged to consult the Transfer Credit Guide to confirm current course equivalencies.
