GRADUATION REQUIREMENTS SUMMARY

Minimum Total Hours: 60 credit hours

Minimum Kent Core Hours: 15 credit hours

Minimum Major GPA: 2.00

Minimum Overall GPA: 2.00

Minimum 24 credit hours of coursework must be completed after approval of the program, and the program must include a minimum of 24 credit hours of work in addition to the prior or concurrent degree. Students should consult with a Kent State University academic advisor for more information.

The Associate of Technical Study degree, Individualized Program, is open to students who need a specially designed course of study in a technical field. The program consists of courses that suit the students' career goals. Course requirements are planned with the help of a faculty advisor and must be approved by the dean of the College of Applied and Technical Studies.
