

Caring Service with Real Results

## **Occupational Therapist**

### **Job Summary**

We are looking for Occupational Therapists to devise and implement therapeutic, vocational and rehabilitative treatments for people who suffer from physical disabilities, mental health problems and learning difficulties. The primary objective of this form of treatment is to help patients lead normal lives and carry out daily activities.

### **Job Description**

- Knowledge of occupational therapy theories, models of practice, principles, and evidence based practice
- Preferred knowledge in Sensory Integration theory and practices
- Knowledge of human development throughout the lifespan
- Ability to articulate the role of the occupational therapy in the evaluation, intervention planning, and intervention process
- Ability to analyze tasks relative to areas of occupation, performance skills, activity demands, contexts, and student factors to implement the intervention plan
- Ability to recognize occupational performance deficits in the areas of personal care, student role/interactive skills, processing skills, play, community integration, and written communication
- Skill in gathering screening and evaluation data, completing checklists, histories, and interviews
- Ability to select, adapt, and sequence relevant occupations and purposeful activities that support intervention goals
- Skill in effective oral and written communication
- Ability to maintain safe environments, equipment, and materials
- Ability to prepare and maintain accurate records and progress notes
- Willingness to be educated and trained for specific program implementation
- Initiative, strong work ethic, and the ability to positively interact and collaborate in a team environment
- Complete thorough evaluation, including muscle tone, range of motion/mobility, orthopedic needs, movement analysis, perceptive/fine motor skills, sensory motor processing and functional activities of daily living.
- Educate and demonstrate (verbally or written) therapy techniques to parents that can be incorporated into the home

Caring Service with Real Results

- Assess and make recommendations regarding the use of adaptive equipment as needed and provide written justification.
- Responsible for timely documentation of evaluation results, progress reports, discharge reports, daily notes, service tracker notes.
- Maintain professional clinical competency by attending certified CEU in-services and workshops.

#### **Job Skills & Qualifications**

- Bachelor's degree
- Occupational therapy certification and licensure
- Excellent working knowledge of the practices and principles of occupational therapy
- Outstanding interpersonal verbal and written communication skills
- Strong organizational skills
- Recognition of importance of and respect for confidentiality
- Valid driver's license and reliable transportation
