

FTIORGH – Organization Hierarchy Query

Enter an organization code and click the green button to see how an organization code rolls up within Banner.

The screenshot shows the top navigation bar with the user name 'Mr Michael J. Farina' and a 'Sign Out' button. Below the navigation bar is a blue header with the title 'Organization Hierarchy Query FTIORGH 9.0 (eMOCK)' and buttons for 'ADD', 'RETRIEVE', 'RELATED', and 'TOOLS'. The main form area contains two input fields: 'COA:' with the value 'K' and 'Organization:' with the value '100395'. A green 'Go' button is positioned to the right of the 'Organization:' field. Below the form is a grey instruction box that reads 'Get Started: Fill out the fields above and press Go.'

The returned information will appear as follows:

The screenshot shows the same interface as above, but with the results of the query displayed. The 'COA:' field now contains 'K' and the 'Organization:' field contains '100395' with the text 'Controller' next to it. A green 'Start Over' button is now visible to the right of the 'Organization:' field. Below the form is a table titled 'ORGANIZATION HIERARCHY QUERY' with columns for 'Predecessor Organization' and 'Organization'. The table contains the following data:
