

Jennifer Ellen Taylor, PhD, MBA

EDUCATION:

- 2015** **Vanderbilt University** (Nashville, Tennessee)
MBA (executive)
- 2004** **University of Missouri-Kansas City** (Kansas City, Missouri)
PhD Health Psychology - Interdisciplinary Program
- 1999** **University of Northern Iowa** (Cedar Falls, Iowa)
MA Psychology, (Clinical)
- 1997** **University of Kentucky** (Lexington, Kentucky)
Bachelor of Arts
Major: Psychology Minor: Business

PROFESSIONAL APPOINTMENTS:

Tennessee Technological University (2020-present)

Vice President for Research 2020-2022 (includes Office of Outreach, Economic Development and Innovation)

Director, Outreach and Economic Development and TTU Lead for Empower UC Initiative 2022, October - present

Professor, Counseling and Psychology (tenure) 2022 - present, Decision Sciences and Management

University of Arkansas (2014-2020)

Assistant Vice Chancellor for Research and Innovation (2014 - 2020)

Assistant Vice Provost for Research (2014 - 2018)

Director, Office of Sponsored Programs (RSSP/OSP 2014-2020)

Research Professor, Walton College of Business (2014-2020)

Vanderbilt University and VU Medical Center (2008-2013)

Co-Director (Interim), Office of Sponsored Programs (Main Campus and Medical Center)

Assistant Director, Office of Sponsored Programs

Assistant Director, Grants and Contracts Management

University of Louisville (2006-2008)

Director of Grants and Sponsored Programs, College of Education and Human Development

Adjunct Assistant Professor, Educational and Counseling Psychology

Lecturer, Health, and Sports Sciences

Interim Director, Planetarium

University of Missouri-Kansas City (2002-2006)

Director of Operations for the Health Research Group Senior
Research Investigator

Editor-in-Chief (2021- present) (Previously Deputy Editor) – *Journal of Research Administration* – Society of Research Administration International

Associate Editor-in-Chief, American Journal of Health Promotion (2013-present)
PROFESSIONAL ACTIVITIES:

Administrative and Leadership Activities**Tennessee Technological University (TTU)**

Vice President for Research: Principal University Officer for Research, Economic Development, and Innovation.

Director, Outreach and Economic Development and TTU lead special initiative “Empower UC.”

University (TTU) Lead/Director for Regional Initiative/\$25 million grant for economic development, poverty reduction, community wellness, and educational enhancement.

Led/developed strategy that has increased research expenditures by approximately 20% in past two years with significant increase in projected new awards for 2022-23.

Oversight of all University Research Centers including State Centers of Excellence.

Oversight of all development, approval, and conduct of all policies and procedures relating to research and sponsored programs, economic development, technology transfer and intellectual property.

Oversight of “life-cycle” processes for all grants, contracts, other sponsored programs, from proposal development through close-out. President’s Cabinet Leadership Team

Executive Officer, Internal Grants Committee

Executive Officer, Faculty Research Awards

Responsible for participation in the development and leadership of economic development partnerships including:

- TANF Grant (**Empower UC**) on which I was part of public/private leadership team that secured award of \$25 million where I am PI on TTUs projected portion.
- Board Member, TennSmart: A statewide consortium for intelligent mobility solutions and attracting related industry and innovation for the state.
- State of Tennessee Consortium – Automotive Innovation Task Force
- Tennessee Valley Corridor Network – Multistate group of legislators, business, and university partners to encourage and facilitate on-going collaboration in energy, science, environmental issues, space, national security, and education.
- Responsible for working closely with faculty as well as State and Federal agencies and legislators for funding initiatives including obtaining continuing funding for State Centers of Excellence, other Research Centers, earmarks, and major funding requests.

Faculty Representative to the Federal Demonstration Partnership (FDP).

Responsible for staff supervision, hiring, development.

Oversight of highly successful student research initiatives that broke records this year for student involvement

Multiple other roles and activities as assigned.

University of Arkansas

Led Research Accounting/Research and Sponsored Projects merger.
 Vice Chancellor for Research and Innovation (VCRI) Leadership Team.
 Chair for VCRI Diversity, Equity, and Inclusion Committee.
 Vice Provost for Research and Economic Development's (VPRED) Leadership Team.
 Expansion and enhancement of support to units and investigators
 Development and oversight of implementation of comprehensive plan for enhancement of electronic systems for sponsored programs and activities. (Administrative and Compliance)
 Member of University of Arkansas-Fayetteville team for new eRP implementation and provided leadership to system-level implementation of new eRP.
 Part of VPRED team significantly increasing external funding and sponsored activities as University sought to become Top 50 Public Research University.
 Vice Chancellor for Research and Innovation (VCRI) Leadership Team – senior role – leadership role in developed strategic plan that led to approximately 90% overall growth in extramural funding over time and approximately 50% growth in federal funding. Subsequently the University submitted the plan to major funder that resulted in nearly \$200 million gift.
 Member, Steering Committee and Lead Writer for ADVANCE Application to NSF to increase the numbers and diversity of female faculty members in STEM fields at UA and Nationally.
 Member, University Research Council.
 Member, VPRED Strategic Planning Group.
 Chair, Research Administrator Group (Involves research administrators from units across campus).
 VPRED representative for campus outreach programs to enhance faculty/unit research skills/knowledge.
 Member, Patent and Copyright Committee.
 Lead, Chancellor's Innovation Fund – Internal Seed funding.
 Association of Women in Science (AWIS).
 Convenor/facilitator Research Deans'/Associate Deans' Group.
 Member of team planning/delivery of annual Research Camp to help new faculty jump start their research.
 University of Arkansas Representative to the University-Industry Demonstration Partnership (UIDP).
 University of Arkansas Representative to the Federal Demonstration Partnership (FDP)
 University of Arkansas Representative to the Council on Government Relations (COGR)
 Representative to the Association of Public and Land-Grant Universities' Council on Research (APLU CoR)
 Collaborate with faculty and leadership across all colleges and schools regarding Research and Sponsored Programs.
 Chair, multiple searches for RSSP/ODP staff and faculty search participant. Member, VCRI Search Committee.

Vanderbilt University and Vanderbilt University Medical Center

Led merger of multiple units to create University-wide Office of Sponsored Programs
 Director of the university-wide (central campus and Vanderbilt Medical Center/Medical School (VUMC) Office of Sponsored Programs (interim). Previously Assistant Director for Grants, VUMC.
 Vanderbilt University FCOI Steering Committee and Working Groups
 Vanderbilt University Research Enterprise Working Group
 Vanderbilt University's Federal Demonstration Partnership (FDP) Administrative Representative
 VUMC Coeus Committee member and oversight OSP.

VUMC Research Optimization Committee member
 IRB Chair Search Committee
 GCM Policy and Procedure Committee; GCM Training and Outreach Committee
 Search Committee (multiple) member and chair for GCM positions related positions Vanderbilt
 Program for Research Administrator Development (VPRAD)

University of Louisville

Member, Internal Grants Review Panel
 CEHD Leadership Team
 Space allocation and renovation.
 Staff Senate
 Member, Academic Program Committee--Faculty Senate
 Member, President's Commission on the Status of Women (COSW)
 Chair/participant various Search Committees
 Member, Carnegie Foundation for the Advancement of Teaching initiative to transform graduate
 education in Educational Leadership
 Planetarium Interim Co-Director

University of Missouri-Kansas City

Administrative Director and PI/Co-PI/Investigator, Interdisciplinary Health Research Center
 Social Sciences Institutional Review Board (IRB) member
 Psychology Department Faculty Search Committee

Professional Organizations (selected previous or current)

- Association of Public and Land-grant Universities: Council on Research (APLU: COR)
- Council on Government Relations (COGR)
- Federal Demonstration Partnership (FDP) – Administrative Representative; Communications Committee member and co-chair; executive committee member; strategic planning committee Phase VII
- National Council of University Research Administrators (NCURA)
- Public Responsibility in Medicine and Research (PRIM&R)
- University Industry Development Partnership (UIDP)
- Society for Research Administration International (SRAI)
- American Heart Association (AHA)
- American Psychological Association (APA)
- North American Society for the Study of Obesity (NAASO)
- Society for Research on Nicotine and Tobacco (SRNT)
- Society of Behavioral Medicine (SBM)
- American Educational Research Association (AERA)
- American Psychological Association (APA)

Scientific Activities (selected other – current or previous)**Scientific Review Experience**

- National Institutes of Health (NIH) Peer Review Panel - Fellowships: Risk Prevention and Health Behavior
- National Institutes of Health (NIH) Peer Review Panel - Psychosocial Risk and Disease Prevention Study Section
- National Institutes of Health (NIH) Peer Review Panel - Center for Scientific Review Special Emphasis Panel
- Peer Reviewed Medical Research Program (PRMRP) grant review panel for the US Army Medical Research and Materiel Command (USAMRMC)

Editorial Experience (current or previous)

Editor-in-Chief (previously deputy editor) *Journal of Research Administration* (2018-current)
 Associate Editor-in-Chief *American Journal of Health Promotion*, 2013-current
 Review Editor, *Frontiers in Environmental Health* 2022 -
 Editorial Board, *Journal of Research Administration*, 2011-current *Addiction*
American Journal of Preventive Medicine
American Journal of Public Health
Eating Disorders: The Journal of Treatment and Prevention
Military Medicine
Obesity Research
Preventive Medicine
Psychosomatic Medicine
Quality of Life Research
Nicotine and Tobacco Research

TEACHING AND MENTORING ACTIVITIES:**Tennessee Technological University**

Professor, (tenure) Counseling and Psychology
 Professor Decision Sciences and Management (Research)
 Member of graduate and undergraduate faculty

University of Arkansas (Walton College of Business)

Member of the graduate and undergraduate faculty. Taught in the MBA and undergraduate honors programs, as well as the Capstone Course in Marketing, graduate student research supervision. Steering committee for Healthcare track in EMBA program.

Vanderbilt University and Vanderbilt University Medical Center

Vanderbilt Program for Research Administrator Development (presentations at several sessions for certification program and mentor for participants in multiple units across campus) GCM and OSP training workshops (several workshops); MPH program (guest lecturer)

University of Louisville

Dissertation Committee member
 Courses taught included: Health Promotion and Disease Prevention at the Individual Level
 Community Health Promotion and Disease Prevention

UMKC Lecturer – Courses taught included:

Dissertation Committee member
 Health Research Methods; Advanced Quantitative Methods
 Development and Evaluation of Assessment Instruments
 Health Psychology; Abnormal Psychology
 Theories and Methods of Personality

RESEARCH AND SCHOLARLY ACTIVITIES:**GRANTS AND CONTRACTS (TOTAL AWARD AMOUNTS \$33 million+)**

Principal Investigator/TTU Lead Empower UC (Upper Cumberland) State of Tennessee-Dept. of Human Services. **\$1,015,000** (total award to TTU – may increase).

Core Leadership Team Partner/Grantee (equivalent of Co-PI) –

-Tennessee Opportunity Pilot Initiative Implementation Grant to Upper Cumberland Consortium **\$445,000**(2021-22):

-Empower UC Grant State of Tennessee - Department of Human Services (Federal HHS) –
Total Award \$25,000,000

Principal Investigator: Graduate Student Research Fellowships (2019-2020; full award period 2019-2023 left at UA): GRFP's. Funded by National Science Foundation. \$538,776

Co-Investigator: UIDP Conference (2018-2019): University-Industry Engagement outside Major Metropolitan Areas and Megacities: Identifying Issues and Finding Solutions. \$99,971

Co-Investigator/Lead Writer: ADVANCE Project (2018-2020): *ADVANCING UA Women – A Pilot Study*. Funded by the University of Arkansas, Chancellor's Innovation and Discovery Fund. \$112,496

Principal Investigator: Graduate Student Research Fellowships (2014-2019): GRFP's. Funded by National Science Foundation. \$965,333

Co-Investigator: CARE Project (2008-2009): *Transitions to Middle school: The Protective Role of Supportive Relationships*. Funded by the University of Louisville Intramural Research Initiation Grant Program. \$4,464

Co-Investigator: Document Study (2004-2007): *Tobacco Industry Targeting of the US Military*. Funded by the National Cancer Institute. \$3,080,929

Co-Investigator: American Legacy (2004-2006): *Evaluating the Impact of a Community Campaign Targeting 18 – 24-Year-olds in the Military*. Funded by the American Legacy Foundation. \$150,000

Investigator and Project Director: STAR Project (2000-2007): *A Model DoD Systems Approach for Tobacco*. Funded by the United States Department of Defense, U.S. Army Medical Research and Material Command. \$2,130,137

Grants and Contracts as key personnel.

Key Personnel: (2020 (previously Co-PI) UA Engage Project. Funded by the National Science Foundation (three years – was originally CO-PI and writer but CO-PI role reduced as I was leaving for TTU-built on internal grant for which I was writer/co-PI above). \$1,000,000

Faculty Fellow: PAAD Project (2017- 2020): *STEM Professional Awareness, Advancement, and Development.* Funded by the National Science Foundation NRT IGE. \$499,344

Computerized Telephone Interview Director: GIS Pilot Project (2000-2001): *A Geographical Information Systems Study of Environmental Risks for Obesity.* Funded by the University of Missouri Research Board. \$50,000

Research Assistant: *Brain-body determinants of cognitive, emotional, and functional status following CABG surgery.* Funded by the St. Luke's Hospital Foundation. \$50,000

Research Assistant: *Depression and Cardiovascular Disease.* Funded by the St. Luke's Hospital Foundation. \$50,000

Project Coordinator: *Smoking Status and Participation in Cardiac Rehabilitation.* Funded by the Saint Luke's Hospital Foundation. \$50,000
