

Things to do Before Starting Classes

- ☐ Contact your advisor or graduate coordinator if you have questions about course registration.
- ☐ Review information on registering for the [student health insurance plan](#) and decide if you want to enroll in the plan. International students are required to enroll in the university's student health insurance plan or to enroll in a plan with comparable coverage, [review more details on this policy](#).
- ☐ Review the information on the [immunization requirement](#) and submit records of immunization via Med+Proctor. Please note requirements vary depending on whether you are an international or domestic student and which campus you are attending.
- ☐ For students commuting to campus, make sure to purchase your [parking pass](#). Passes go on sale for graduate students on November 27.
- ☐ Sign up for [Flash ALERTS texts](#) to receive important notifications, critical news, and information regarding campus emergencies or instant safety updates.
- ☐ For students who are beginning a graduate assistantship appointment, make sure to [review this information from Academic Personnel](#) on completing your hiring documents and scheduling an appointment to process paperwork for your GA position.
- ☐ Obtain a [FLASHcard](#), which can be used to check out materials from the library, access university facilities, and more. Students can apply for a FLASHCARD before coming to campus. You may also have time to get one on the day of GSO. [See instructions](#) on how to apply in advance of attending GSO.
