

Happy National School Counselor Week from Kent State Trumbull's Student Services Department! Thank you to all the school counselors for working alongside our admissions team to assist students with their next steps towards their college career. You are greatly appreciated, and your hard work does not go unnoticed. Kent State Trumbull is hosting a "What's Next" event on April 9 from 9:30 - 11:30 a.m. "What's Next" is an event for seniors who are undecided about their plans after college. Our Admissions and Career Services staff have teamed up to create an informational and interactive session to assist students in their decisions for their next steps after high school. Please join us by registering your seniors using the link below. You may upload a class roster to avoid entering all the students individually. **If you have any questions, please contact Jenna Fox directly at jfox45@kent.edu. Thank you and we hope to see you there!**
