Also, please describe or provide a link to program admissions policies that allow students to enter with credit for prior graduate work, and the expected implications for time to completion. Please indicate NA if not applicable:

Students may submit to their training director a request to receive credit for previously completed graduate courses. The courses are evaluated by faculty teaching the analogous KSU courses. The appropriate Training Director is notified in writing whether or not the course is equivalent to the KSU course. After

all evaluations for course equivalences for a particular student are completed, the appropriate Training Director informs the student of the equivalencies. The decision of the Training Coordinator may be appealed to the Graduate Coordinator.

1. Core Courses - Where a course equivalency is determined, the core area requirement is waived. All four core areas may be satisfied by such equivalencies.
2. Quantitative Statistical Analyses I and II - Where a course equivalency is determined, the course requirement is waived. One or both courses may be satisfied by such equivalencies. Quantitative requirements beyond these two courses will typically not be waived, except under unusual circumstances.
3. For clinical students, up to three of the six clinical core courses and up to four electives may be satisfied through course equivalencies. Practicum requirements typically will not be waived, except under unusual circumstances.
