

RCFAC Optional Meeting

DRAFT Minutes

July 17, 2020
10:00-11:00
via MS TEAMS

Present: Rachael Blasiman, Kathy Davis, Robin Dever, Donald Gerbig, Jr., Bryan Jones, Aloysius Kasturiarchi, Beth-Allyn Osikiewicz, Gregory Smith, E. Sue Wamsley

- Dees: Assistant Deans have been charged with pulling schedules of all Regional Campuses in line with each other (identical time frames).
- Dever: actual face-to-face course offerings are at roughly 18% for all campuses; dissertation meetings, clinicals and other non-classroom face-to-face meetings are at roughly 22%, adding up to roughly 40% on-land teaching.
- Robinson: concerns about the multiple possible meanings of “remote” for Remote courses. Faculty need to make it clear to their students just how much of their Remote and/or Remote/Hybrid courses are going to be synchronous vs. asynchronous.
- General concern about students refusing to wear masks. The response is, if all else fails (including offering the student a mask), to cancel class and report the student for conduct violations.
- Regional Campuses Mini-Conference
 - Everyone who plans to attend must register (and registration is free).
 - There are nine topics, each offered twice, with one person leading on each topic.
 - The sessions will be recorded, and both the recordings and any materials (e.g., Power points and/or other documents) will be posted somewhere.
 - This will be open to all faculty (full time and part time).

The next (and final) unofficial RCFAC meeting will be held August 14, 2020.
