Early Childhood Mental Health Consultant (ECMHC)

Alta Behavioral Health - Youngstown, OH 44502

Posted: 11/14/2019 - Expires: 12/30/2019

Job ID: 213752206

Job Description

Alta Care Group, Inc. is seeking applicants for a full time Early Childhood Mental Health Consultant (ECMHC).

The ECMHC provides consultative services to early care staff, children and families in a community setting.

Qualified candidates should be familiar with the social, emotional, behavioral, developmental and academic milestones of children birth through kindergarten.

Duties will include classroom observations, development and implementation of classroom management and child-specific action plans, as well as the documentation of data pieces needed for program reports/evaluation.

EDUCATION/EXPERIENCE:
The minimum qualification for this position is a Bachelor degree in Early Childhood Education, Family and Consumer Studies, Social Work or other related field.
Preferred qualifications include an academic background in child developmental/early childhood, experience in assessment/interventions with young (under age six) children and experience in consultation and/or working with social service or health service providers to youth.

Please submit resume and letter of interested to Gary Baughman, Supervisor of Early Child Program, Alta Behavioral Healthcare, 711 Belmont Ave. Youngstown, OH 44502 or email EOE.
