The Ohio Gas Association is pleased to offer a scholarship program to students who plan to pursue a career in the natural gas industry or related energy field. An interest in the natural gas field is suggested, although those interested in general business curricula are also invited to apply, since those majors are also applicable to the industry. Please see below for a list of accepted majors. Scholarships are limited to undergraduate college studies, technical or trade school programs for students who are Ohio residents planning to attend or already attending an Ohio school. Candidates must have and maintain a 3.0 GPA. Each scholarship is $1,000 and renewable up to three additional years. The deadline for applications is Friday, March 15th, 2019. Any applications received after this time will not be considered. This scholarship is a completely separate foundation from the Ohio Gas & Energy Education Program (OOGEEP) and students may apply for both.
