2 COMPLETE PLACEMENT TESTING

PLACEMENT ASSESSMENTS
Most new students are required to take the online ALEKS math placement assessment. If students have current ACT scores, reading and writing placements will be determined by the appropriate ACT subscores.

If students do not have current ACT scores, students must take the computerized Accuplacer placement test.

STUDENT CHECKLIST IN FLASHLINE
Review your Student Checklist in My Lists in the FlashLine toolbar (top center) to determine which placement assessments you are required to take.

Test results are used by academic advisors to help determine proper course selections.

Students should contact the Office of Student Services at 330-244-3251 to determine the necessity of placement testing.

• Before testing in the Academic Success Center, students must show a photo ID. Appointments are not necessary.
• ALEKS and Accuplacer are administered at no charge.
• ALEKS Math can be taken online from home through FlashLine > Student > Resources > Placement Assessments. ALEKS Math may also be taken at the Academic Success Center if a student chooses.
• Accuplacer testing is proctored in the Academic Success Center.
• Average testing time for Accuplacer reading and writing is 90 minutes. ALEKS Math testing time averages 90 minutes. Students test at their own pace.
• Accuplacer practice site: accuplacer.collegeboard.org/students/prepare-for-accuplacer. Students should choose Classic Accuplacer Sample Questions and WritePlacer Guide.
• Arrive at least three hours prior to the center closing to allow enough time for testing for Accuplacer and ALEKS.

Students must complete any required testing before attending First Step or meeting with an academic advisor.

TESTING HOURS
View hours at www.kent.edu/stark/testing-services.

ACADEMIC SUCCESS CENTER
