This guide was created for sport club members to understand the expectations, rights and responsibilities while minimizing the inherent risks that is associated with traveling. The guide also serves as a reminder of applicable policies and procedures to follow when traveling on university related business, and is not all inclusive since various situations may arise that are not covered in this guide and appropriate judgment and discretion must be used.

Trip Preparation

- **A Travel Approval Form** shall be submitted to the Sport Clubs Office no later than four (4) weeks prior to the intended starting travel date to inform the office of the request to travel, who will be driving, and where the club members will be staying if an overnight stay is required. It shall be noted at this time if a vehicle rental is required. Upon approval of the travel request, the club may complete the remaining items in the travel guide. Any changes to drivers or other information after submitting the Travel approval Form and prior to the trip requires a new form to be completed.

- **A Travel List Form** shall be submitted to the Sport Club Office no later than one (1) week prior to the intended starting travel date. This form will document all club members that will be traveling.

- ALL club members that plan to travel on the club event; must have a Participant Waiver on file with the Sport Club Office. Copies of current medical insurance coverage forms/cards shall be submitted with the Participant Waiver.

- IF a club member does not have medical insurance coverage, they should NOT be permitted to travel with the club.

- Determine if personal or rental vehicles will be used for the transportation of club members to and from the scheduled event.

- ALL drivers whether driving rental vehicles or members driving personal vehicles AND transporting other club members shall provide the Sport Club Office with a copy of their driver’s license and vehicle insurance paperwork.

- **An Authorization for the Release of Information Form** will be completed and submitted prior to any driver of personal or rental vehicle being authorized to drive on behalf of the sport club.

- If personal vehicle are used, the drivers’ personal automobile insurance will be primarily responsible for any liability that occurs. The driver is responsible for all persons in the vehicle.
- NEVER exceed the load rating or seating capacity of the vehicle that is being driven. Although it may save a little bit of money it increases the likelihood of an accident and severe injury or even death.

- If a rental vehicle (mini-van, car or SUV) is requested complete the appropriate paperwork for Enterprise, determine the type of vehicle and complete the appropriate paperwork.

  a. 7 passenger mini vans (through Enterprise via Recreational Services) complete Travel Approval Form available on the sport club website. This form must be completed and submitted to the Sport Club Office at least three (3) weeks prior to the requested rental date. Direct billing may be used when approved by the Procurement Office; however, clubs should be prepared to pay for the rental fees and seek reimbursement upon completion of the trip.

    - For rentals that need to be picked up the day before due to early start times, the vehicle may be picked up one (1) hour prior to the Enterprise branch (West Main Street in Kent, OH) closing 5:00 – 6:00 pm (M-F) 11:00 am – 12:00 pm on Saturdays.
    - Rentals picked up before or returned after the time indicated on the Rental Confirmation Form may incur additional fees (e.g. you may be charged an additional day rental fee).
    - A minimum TWO day rental is required for any rental between Friday and Monday.
    - A $25.00 Quick Start Fee will be assessed by Enterprise for all van rentals that are received the evening prior for an early morning departure the next day prior to hours of operation.
    - For any changes to the reservation, contact the Assistant Director of Sport Clubs immediately, not Enterprise.

- When picking up rental vehicles from Enterprise:
  a. ALWAYS purchase the Personal Accident Insurance (PAI) coverage.
  b. DON’T purchase “Optional Liability Limits” when rentals remain in the U.S.

- Air travel – all air travel should be scheduled with the assistance of the Assistant Director of Sport Clubs to ensure that appropriate flights are scheduled, ground transportation is secured and that the clubs are utilizing the travel agency that the university has an exclusive agreement with. Direct billing may be used; however, clubs should be prepared to pay for the fees and seek reimbursement upon completion of the trip.

- Charter Bus – all charter bus services should be scheduled with the assistance of the Assistant Director of Sport Clubs to ensure that all legal and contract language does not place an unnecessary burden upon the club or Kent State University; as well as receiving the best available and most reasonable rates, terms and conditions. Charter bus service is an expense that may or may not be direct billed.

- Hotels – all hotel rooms should be reserved well in advance of the actual travel dates (at least two months) to ensure that the best pricing and availability is secured. Some organizations require that clubs only stay in authorized hotels that have a block placed by the sponsoring organization.
a. When reserving a hotel room or group of rooms, place the hotel in the groups’ name (e.g. Kent State University Women’s Club Volleyball) not in an individuals’ name. You may add a contact person, but the billing should be in the groups’ name. Placing the hotel in the name of the organization will aid in the tax removal from the final bill since Kent State University is a tax exempt organization; however, local taxes may still apply and some states do not observe tax exemption from other states. Copies of the university’s tax exemption form are available to take with you and provide to the hotel management.

b. Club members should be prepared to pay for the fees and seek reimbursement upon completion of the trip; however, if submitted early enough a university check request may be made provided the proper paperwork is submitted early enough to ensure check processing. Notify the hotel management that you have a tax exemption form and request an “itemized invoice” without taxes, if the hotel will remove taxes. The itemized invoice must be in the groups’ name not in an individuals’ name to receive a prepaid check. You may fax the hotel management a copy of the tax exemption form if necessary.
