TRUMBULL

Experience for Life

WELCOME TO KENT STATE UNIVERSITY AT TRUMBULL

At Kent State University at Trumbull, you'll receive more than a first-rate education. You'll receive preparation for the rest of your life. And you'll discover that Kent State's nearly 200,000 alumni who live and work in Northeast Ohio and beyond are proof of that.

Your professors at Kent State Trumbull are experts in their fields. More than 90-percent have earned a master's degree or Ph. D. They are superb teachers and scholars who are dedicated to helping you succeed. With our 16-to-1 student-faculty ratio, you will get a personalized learning experience. You'll find professors who not only teach, but also mentor and guide you.

Our supportive staff is an essential part of the campus community. From accepting your admissions application to helping you find the perfect library resource or cheering you on as you accept your diploma, they will be with you every step of the way.

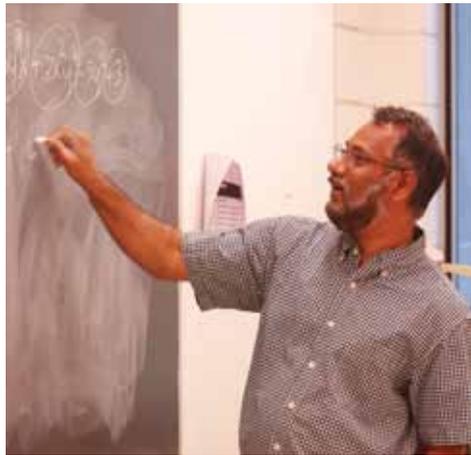

Start your experience for life at Kent State Trumbull.

Check these out.

Workforce Development and Continuing Studies Center -

For more than 30 years the center has provided noncredit training to individuals and businesses. Highly dedicated experts cover more than 60 areas of study. See us to get all the tools you'll need to make you or your company more productive, competitive and efficient.

Police Academy - We have one of the state's best police training academies. Classes are offered evenings and on occasional weekends, Monday through Friday over seven-months. Upon satisfactory completion of the academy, cadets must take a state administered certification test. A passing rate of 70 percent or better qualifies cadets to apply for work as a peace officer in the state of Ohio.

Kent State Trumbull Theatre - Stages performances involving campus and community members during fall and spring semesters, plus a burgeoning summer stock. Productions range from Shakespeare to the Live Wires Improvisation Group.

At Kent State, we do more than teach. We share, provoke, collaborate and participate. We inspire learning, transforming students into independent thinkers — and, more importantly, into doers. By giving them the tools and opportunities to apply their skills, we help them put their knowledge into practice. We help them put excellence into action, in everything they do.
