

FALL 2019 FINAL EXAM SCHEDULE

The final examination period for day and evening classes is Monday, December 9, 2019, through Sunday, December 15, 2019. Final examinations for Weekend College and classes that meet for eight weeks will be held during the final class meeting time. Final exams for classes that meet only one day per week will be held during exam week at the regularly scheduled day and time for that class. The time and date of final examinations for all other classes are determined by the first class meeting of the week.

Class starting times are listed in the Exam Tables below. Examinations will be held in the room where the lecture section of the class regularly meets, unless otherwise announced.

If students have two exams scheduled for the same time, they should consult with their instructors, who are expected to make suitable arrangements to eliminate the conflict. Any student who has three or more exams on one day may schedule one exam, with the instructor's permission, on Tuesday at 6:15 PM or Thursday at 7:45 AM. No rescheduling of exams will be permitted except by special arrangements of the instructor with the Assistant Dean. If a change is approved, the examination will also be given at the regularly scheduled time for those students who prefer to take it then.

Final examinations or class meetings during final examination week must be held at the time and place listed for each course in the Final Exam Schedule. All classes are expected to have some instructional or evaluative activity during the final examination time.

Exams for Friday and Saturday classes will be held during the final class.
