Production Support: Special Project

Job Description

Bissell Maple Farm, Jefferson, is Ohio’s premier Maple Syrup Company and seeking Production Support for a special project directly assisting in fighting the COVID-19 pandemic. The successful candidate will be responsible for bottling and packaging products according to Bissell Maple Farm protocols and production line processes.

ESSENTIAL JOB FUNCTIONS:

- Produce products according to Bissell Maple Farm, Inc. protocols to ensure standards:
  - Assist with bottling and packaging of hand sanitizer.
  - Ensure that products are processed and prepared by following standards of cleanliness and hygiene.
  - Determine mixing sequences, based on knowledge of temperature effects and of the solubility of specific ingredients.
  - Assist with the running of a bottling production line.
  - Mix or blend ingredients, using a paddle or an agitator.
  - Select and measure or weigh ingredients, using English or metric measures and balance scales.

PREFERRED EDUCATION AND EXPERIENCE:

- High School Diploma or equivalent.
- 1+ years experience in food production, quality systems and standards, health/safety and compliance.
- Techniques and equipment for producing products for consumers, including storage/handling techniques.
- Production machines and tools.
